With the social event of the year approaching, can Micheal and Ava find a way to settle their differences, or will their chance at bliss in each other's arms be lost forever? A Summer Storm... A holiday weekend is upon Climax Creek, and Ava Hutchens is ready for the break. She's looking forward to shuttering her antiques store for the three day weekend and getting in some reading and relaxing. Bad weather intervenes, and she finds herself trapped in the store with a last minute shopper- none other than the Too-Fine-For-Words Micheal Dunn. He's soaked to the bone, his clothes clinging to his muscular frame, and she can't seem to keep her eyes on his face. A Humid Encounter... Micheal Dunn needs to grab his mother's birthday gift ahead of her weekend birthday party, and in his haste, ventures out into the storm. As the winds, rain, and hail swirl, he decides to shelter in place. What started out as a quick shopping excursion becomes so much more, because before long, the close quarters and an already budding attraction lead to a

mind-blowing night of lovemaking. A Complicated Affair... Ava can't resist Micheal's charms and carnal skills, but can't abide his attitude- he has no idea of the pain and rejection she's endured. Micheal wants to explore what he and Ava could have, but he can't seem to do right by her, and she keeps pushing him away. Their new relationship is as stormy as the weather during their first lovemaking session... Reader Review: (4 Stars) " I enjoyed this love story! Ms. Alexander weaved a passionate story that kept me attentive and wanting Ava to find herself emotionally despite her family disapproval and the man she allows in her heart! Great characters, awesome plot and sizzling attraction leaping off the pages - a dynamic story all in one!" - Tonya

Hired by the Carbonado Institute, Dr. Robbie Santana is assigned to a scientific project known as BIOGENESIS. The objective is to create lives to save others. One day, an Institute employee reveals the truth to Dr. Santana about Project Biogenesis. This is when the scientist's dream turns into a nightmare. Pursued by assassins in the pay of the Carbonado Institute director, Dr. Santana must alert the authorities about the illegal activities of the Institute. If he fails, it will be permanently silenced.

Death Lab is a sci-fi novel worthy of big-budget action films from Hollywood. Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. "Dr. Phil," along with George Iny and the Editors of the Automobile Protection Association, pull no punches. Ex-lawyer and current fishing guide, Jake Trent, helps his best friend, JP, search for his girlfriend, who went missing shortly after returning home to Mexico. By the author of Death Canyon. 25,000 first printing. As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the

economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz – rich cars, poor quality. There's only one Saturn you should buy. Toyota – enough apologies: "when you mess up, 'fess up." Offers advice for prospective buyers of cars and trucks, reveals information on secret warranties and confidential service bulletins, and tells how to complain and get results. • “Dr. Phil,” Canada’s best-known automotive expert, and George Iny walk you through another year of car buying. After almost fifty years and two million copies sold, Phil Edmonston has a co-pilot for the Lemon-Aid Guide — George Iny, along with the editors of the Automobile Protection Association. The 2018 Lemon-Aid features comprehensive reviews of the best and worst vehicles sold since 2007. You’ll find tips on the “art of complaining” to resolve your vehicular woes and strategies to ensure you don’t get squeezed in the dealer’s business office after you’ve agreed on a price and let your guard down. And to make sure you receive compensation where it’s due, Lemon-Aid’s unique secret warranties round-up covers manufacturer extended warranties for performance defects. Lemon-Aid is an essential guide for careful buyers and long-time gearheads (who may not know as much as they think). This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car-and-truck book on the market. “Dr. Phil,” Canada’s best-known automotive expert for more than forty-five years, pulls no punches. I didn't believe in love at first sight until I met my new billionaire boss! He was tall, muscular, and extremely handsome! He was nothing like my ex-husband My ex didn't treat me like woman. I don't know

how I accepted to marry him in the first place. It made me sick to think that he had an affair a long time ago, and I didn't know about it until now. Things weren't going to work out for us. I'm glad we got a divorce. My boss is so much different I shouldn't want him, but when he is around me, I can't stop feeling the way I do. I should get away from him as much as possible, but when he opens his heart, I can't turn him away. And the more I know, the more I want him. I don't know how to stop these feelings Our love is strong – I have to make sure time doesn't allow it to fade. Some things are too important to wait for. Sometimes when you don't know what you want, life gives you what you need. When Neil Markovic witnesses the murder of his mother by Bone Men, his world is thrown into turmoil. On the run from the assassins that killed her, his sorcerer father and the police, Neil finds help in the form of a tall half-fae alchemist named Malachai. Mal seems more accepting than most of Neil's demon bloodline but curiously immune to his charms. Malachai Valentine, disgraced scion of a noble leprechaun clan, back in the Old Country, is happy living as an anonymous scrap dealer. Using his talent for alchemy to make fuel and potions, most days he doesn't even think of his ruinous past. When a scared young man with a fancy car crashes into his life, at first, Mal thinks he can do without the hassle. But as Neil begins to get under his skin, Mal reassesses his hopes and ambitions. Harassed by megalomaniac fae and stalked by sorcerous killers at every turn, Malachai and Neil must fight to be free, and to find what they both always wanted. Reader advisory: This book contains scenes of violence, murder and non-consensual sex. For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago You can save \$2,000 by cutting freight fees and "administrative" charges Diesel annual urea fill-up scams cost you \$300, including an \$80 "handling" charge for \$25 worth of urea Lemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki Good on paper and even better between the sheets. These dangerously powerful bad boy bosshole billionaires do whatever it takes to fiercely protect the women they love. Lose yourself in this hot and steamy FIVE FULL-LENGTH NOVEL contemporary romance collection! With these scorching hot and rich AF alphas, irresistible is an understatement. Books included in this collection include: Her Billionaire Hero: A Friends to Lovers Second Chance Romance She needs me. I need her. She has secrets that put her in worse danger than she knows. No one else has the power to protect her like I do. We once shared an office, but now share A LOT more. I'm determined to finally claim

her. Our future depends on me showing her the strength of my love. His to Love: An Arranged Marriage Romance I have to pretend to love my best friend's sister. An easy charade to help out my bestie. A little too easy, but I have to keep that secret. Our marriage is fake, but these sparks flying are far too real... The Billionaire's Kiss: A Second Chance Romance I have one week to claim her... She belongs with her family in Ireland. I belong here with mine in Texas. She needs to leave... I need her to stay. Our connection, intense. Our love, undeniable. Our ending, inevitable... Or is it? Billionaire's Secret Baby: A Second Chance Romance There she is, exactly the way I remember her. Except one difference - a little girl holding her hand calling her "Momma". And this little girl has my eyes. This secret could destroy everything I've built for myself. Or it could spark the greatest love of my life... The Billionaire's Fortunate Accident: A Doctor Romance I would give up the air in my lungs just to be able to touch every last inch of her. After a drunken night of partying, I found the love of my life... At a fast-food restaurant of all places. I'm mesmerized by her curves under her uniform and that playful look in her eye. There's definitely more to her than she lets on. Turns out she's out of my league. It's never stopped me before. One thing is for sure - when I want something, I get it. And there's nothing I want more than to claim her as my own... This innovative book integrates traditional and new leadership theories—including transformational leadership, leader-member exchange, authentic leadership, servant leadership, self-leadership, shared and distributed leadership, identity theory, and the value of emotions and affect—to provide a comprehensive look at the many facets of effective leadership. Practical and fun to read, the book incorporates personal reflections and current business examples to bring the theories of organizational leadership to life. In addition,

engaging and relevant "Put it in Practice" features help students see how they can apply the leadership research to their own work lives, while leadership cases throughout demonstrate how real leaders have succeeded by applying the leadership principles discussed in the book. Written in a conversational style, the book is concise enough to be used in a case- or course pack-oriented course or in a modular program. Lemon-Aid Used Cars and Trucks 2010/2011 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years of production. This book offers an exposé on gas consumption lies, a do-it-yourself service manual, an archive of service bulletins granting free repairs, and more. "Dr. Phil," Canada's best-known automotive expert, invites another driver to come aboard. After forty-six years and almost two million copies sold, Phil Edmonston is joined by a co-pilot for the Lemon-Aid Guide — George Iny, along with the editors of the Automobile Protection Association. The 2017 Lemon-Aid has everything: an encyclopedic lineup of the best and worst cars, trucks, and SUVs sold since 2007; secret warranties and tips on the "art of complaining" to help you get your money back; and new-car buying tips that will save you tons of money by revealing the inflated cost of fancy and frivolous add-ons. Lemon-Aid is an essential guide for careful buyers and long-time gear-heads who don't know as much as they think. Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region. This essential guide offers all the tools necessary to negotiate for the best price, including reliability ratings, profiles, and crash-test results for more than 210 new car models. Cutter Boutique Classics, a Fifth Avenue garment boutique owned by a group of wealthy Dutch citizens, needs help seeking American management. They enlist a prestigious New York law

firm, and reluctantly Philip Bartlett becomes a principal in the contract. Philip is young and somewhat inexperienced, and this is not the dream assignment he's been waiting for. Due to his involvement with the boutique, his sister, Theresa, has a fleeting interlude with Chet Doyle, one of the boutique's Dutch owners. Neither Philip nor Theresa knows, however, that Chet is in charge of Cutter's shady dealings. To make matters worse, Theresa makes the acquaintance of the boutique's other owners and soon finds herself in the crosshairs of one of the two women-sisters from Amsterdam. Cutter's cash flow is massive, which draws the notice of the FBI. Investigations abound, and Philip is afraid for his career and his sister. Relationships are at times tender and yet tentative. It's sometimes hard to tell who comes out on top-especially when so many lives are involved.

Lemon-Aid New and Used Cars and Trucks 1990-2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than 42 years, pulls no punches. As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 2011-2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about

Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.
