"A Glimpse of Glory is a wonderful testament to God's love and promises from one who experienced death only reluctantly returning to life as we know it from the hereafter. The author wipes away the trepidation even Christians feel toward death and an inkling of what comes next while sharing his own humble beginnings, rugged upbringing and experiences. Rick East is the real deal and has a great message in his acceptance of Jesus Christ as his Lord and Savior and what he believes God wants him to share with as many as possible. This story is first rate with a vivid

emotional impact and obviously has God's blessing." Nick Weyland, fellow author and Christian brother A Glimpse of Glory A mysterious illness caused Rick East to lapse into respiratory failure the afternoon of December 25, 2012. Rick discovered his spirit was in heaven and was being coached by the Holy Spirit. Rick saw the city of heaven and had many conversations with the Holy Spirit. The Holy Spirit answered questions that have puzzled Christians for years. Jesus said: it is not the healthy who need a doctor, but the sick. I haven't come to call for the righteous, but the sinners. - Mark 2:17 My soul has been sick to death with the sinful nature inside. If there was only one person in the world that needs salvation, I would be that one person. Thank you, Lord Jesus, for you pulled me out of the water and resurrected my soul. You are my life and my song in the heart. My every breath and heart beat are due to your grace. I joyfully breathe in your grace, and would like to joyfully breathe out my praise back to you. This small collection of poetry is a sample for that purpose. Words are never enough to paint God's unfathomable love toward human kind. I just wish these poems could serve as a shadow to help us taste a bit of His goodness and beauty, and therefore will point more thirsty souls back to Him, because human souls can be truly satisfied only in Him! For many years I have treasured my out of body experience and I would do it all over again because I was able to have a glimpse of heaven and feel God's powerful love. He heard my plea and granted my prayer to let me live. I didn't specify how long only that I wanted enough time to lead Jerry to salvation and that took place within three weeks after the accident. That was 58 years ago and

He gave me 50 of those with Jerry. The reason it has taken me so long to write this book is because it is so special to me that Jesus loves me so much that he has given me many more miracles besides the twelve I have shared in this book. I have tried to share the miracles that I felt would help others who may have to face some of the same situations. I am looking forward to the next opportunities that God will allow me to experience. That's why the story will continue until I finish what God has for me to do and He will take me home. My favorite verse of scripture helps me day by day. I hope it will help you, too. "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof. Matthew 6:33-34 "Jesus said: it is not the healthy who need a doctor, but the sick. I haven't come to call for the righteous, but the sinners. - Mark 2:17 My soul has been sick to death with the sinful nature inside. "Familiar with my father and his tough-guy-Marine personality, I knew that this story was very far from his character. He never talked about angels or messengers of God. Whatever occurred at 3:00 AM, my father was taking it to heart. He was extremely serious about following whatever instructions he believed he was given."What happened to Cynthia's father? What "instructions" was he given? What could change a harder-than-nails, battle-tested Marine into a believer in angels? Find out as you follow Cynthia Burke on her journey into the realm of angelic communication. "My Glimpses of Heaven"

allows you to see events and happenings through her eyes. This collection of stories will touch your soul and excite your senses. Open your heart to the spiritual realm that is all around us. I don't know why I was allowed to visit heaven when I was six years old. I'd never been sick. I didn't die. I just went to sleep one night and awoke in heaven. "You know," my mother told me years later, "that doesn't happen to just anyone. It's by invitation only. ----- Read the extraordinary story of how a girl with childlike faith embarked on a journey like no other . . . and received a detailed glimpse into Heaven itself. Splash in the River of Life and see the scars on Jesus' hands as Daleen recalls her remarkable visit to the place that felt - more than anything - like home. Karen Templin had always believed in God, yet she felt ignored by him most of her life. The time came when she began to feel a calling from Jesus. It seemed as though the Savior Himself was beckoning her to know him on a personal level. She began to read everything she could about him with a hunger like she had never known. She prayed to see him in a dream, and he came to her in two dreams to teach her about trust in him. After understanding his teachings, Jesus appeared to her in a vision at a church. He graciously offered forgiveness of her sins as his overwhelming love and radiant white light rained down on her. He began to communicate to her about things she had not understood earlier in her life. The words he spoke would have a profound effect on her, and her life would be changed forever. This is a story of one woman's journey as she embarks on a search for Christ, and ultimately finds him in ways that she had not expected. This book is a must read for anyone who would like a closer glimpse of Jesus Christ. Karen Templin offers an up close and personal look at the personality of our Lord that the reader will treasure forever. What happens when we die? Non-believers say death permanently extinguishes life, while believers insist that our souls continue for eternity. There is only one way to know for sure. Or is there? In Glimpses of Heaven, author Thomas Hardesty takes readers on a personal odyssey into the afterlife, which he experienced through visitations from deceased loved ones--and pets--while in a dream state. He explores the nature of death as well as life after death in the context

of familial relationships. Highlighting themes such as grief, guilt, hope, and love, the book delves into the continuation of relationships in the mysterious realm of the hereafter, culminating in an extraordinary journey to the Kingdom of Heaven. The visitations the author has experienced have been crystal clear and have made perfect sense, and the information he's gleaned has served as a warning, provided reassurance or conveyed important information. Take a fantastic and spiritual journey that reveals a glimpse of the beyond - all while learning lessons on how to live here on Earth. "A Glimpse of Heaven" is for people who want to know what dying is like and can provide comfort and hope to the dying and grieving. At the end of the book there is a Biblical Reference Guide, with Biblical scripture verses. This near-death tale answers questions such as: Will I be reunited with loved ones in Heaven? What happens if somebody was married more than once? How do I remember those that don't go to Heaven? Are their pets in Heaven? What happens at the moment of death? What happens to people between death and Judgment Day? Can we pray directly to God? Sometimes I feel like God doesn't hear my prayers. Is that true? Are we judged by what others do to us? If I do good deeds on Earth and are praised for it, does it forfeit my Heavenly blessings? Is "the light" real? Has anybody in the Bible gotten a glimpse of Heaven? This book is also available with a different ISBN and cover in Large Print. Another edition of this little book of "Glimpses of Heaven!" has been called for. It has already passed through several editions; and, having been blessed by God to many, especially among the sick and sorrowful, it is again sent forth to speak silently to the troubled heart of what is revealed to us of the things that are unseen and eternal in the Book of the Revelation. In the midst of much that is difficult to be understood prophetic of things past and to come the veil is sometimes lifted up, and the humble believer looks in and catches a glimpse of the glory which Jesus wills that he shall share. In these meditations on heavenly bliss, we should try as much as we can to render them profitable for our sanctification and growth in grace. They should be seasons of great searchings of heart, when our souls are, as it were, gazing upon the realities of eternity, in the sight of the heart-searching

God, with all their inmost recesses laid bare before Him. Then would they exercise a sanctifying influence over us. We would be often restrained from what is unworthy of our heavenly hopes, by the thought of the glimpse of Heaven which has left its sweet, yet solemn remembrance. We should say, "How shall we be able to appear before our God prepared, as it were, to sit down at the marriage supper of the Lamb if we indulge this worldly temper or passion? How shall we be able to rejoice in the hope of seeing our blessed Savior if we have thus dishonored His name, or if we have thus neglected to promote His cause? How shall we meet our Lord with joy, if we thus forget Him now?" That these meditations may help the sad and tried believer to "recover their strength" on their way to their eternal home above, is the earnest prayer of the author. Have you ever wondered about Heaven? Heaven is a Beautiful, Magnificent, Fascinating place where those of us who know Jesus Christ as our Lord and Savior will spend eternity. This book will reveal much of what our Father has allowed me to see on some of my visits to Heaven. You will find answers to questions like, -What will we do for eternity? -What does Heaven look like? -Will we eat in Heaven?-Are there sports in Heaven? -Will my pets be in Heaven?-What about angels?and much more... We look for fulfillment and pleasure in the things of this world - for example, sports, entertainment, and hobbies. When we need a place to live, we research, we look around. We search to find a place where we will be comfortable and happy - a place we can call home. We check out the neighborhood, and we consider schools, convenience to stores for shopping, how close it is to our place of worship and employment, etc. Will there be such things in Heaven? My prayer is that this book will not only bless you, but also answer some of your questions. A Glimpse of Heaven, by Pastor Sidney Melton, is an inspirational compilation of Scripture quotes, personal thoughts on them followed by descriptive poetry and more. A Glimpse into Heaven "Majestic Restoration: Taste of Hell, Glimpse of Heaven," authored by Bryan A. Roscoe, presents readers with stunning details of his encounters with Hell, then with Heaven. As you read this terror filled encounter with Hell, you will feel and experience it as if it is all

happening -- vividly to you. Bryan's unexpected and unforgettable trip into Hell will bring you to the ultimate mental and spiritual brink. He takes you into that abyss right along side of him! You will know and feel there is no escape. Not long after that terror filled encounter, he caught a Glimpse of Heaven. Bryan knew that he had an obligation to get the word out regarding his two near death experiences. He understood they happened to him for a reason bigger than himself, and is compelled to make this known to a lost world, with equal and real encounters ahead for everyone. Bryan brings the drama, terror and suspense of his near death encounters directly home to you. To write it he relived it. The stark terror of his encounter with hell was not an easy task to write about. Nor one he desired. Forget the nonsense that Hell is merely a joke. Then, he had yet another close encounter, but he did not experience another near death. Bryan fell asleep while driving at the wheel, then veered off into a swamp after hitting and snapping a telephone pole in half -- then encountering a tree. His vehicle landed on its top, after rolling over several times. He was able to walk away. Slightly bruised, but otherwise okay. This happened in the middle of writing this book. Here is his true story, written especially with you in mind. Hell and Heaven: You do have the Right to know! R. The architecture and decoration of Catholic churches and their importance as part of our heritage has gone largely undiscovered and unappreciated. This book is a celebration of 100 Catholic churches in England and Wales, with lively and informative text and stunning photography specially commissioned for the book. Each chapter is devoted to a milestone in the history of the Catholic Church since the Reformation, with a brief introduction followed by a description of each church complementing Alex Ramsay's photographs. The churches vary enormously in scale, date and location. The small, 14th-century chapel at Rotherwas near Hereford survived centuries of official persecution and more informal terror from local anti-Catholics. The 19th-century Church of St Everilda in Yorkshire was built after Catholic Emancipation, but though off the beaten track it still hid its interior magnificence behind non-committal, blank walls. The Gothic churches of architect Joseph Hansom strike wonder into the hearts of their visitors: at Manchester's Holy Name he contrived a space of breath-taking vastness - architecture designed to shock and awe. Early 20th-

century church architects adopted a lighter - and in some cases extraordinary - approach that gave Rochdale a church with a Byzantine dome and a wall of sumptuous mosaics. All these are important, architecturally, decoratively, historically and socially, and each has an additional powerful and poignant dimension because of their remarkable stories. "A Glimpse of Heaven" is for people who want to know what dying is like and can provide comfort and hope to the dying and grieving.
