In the first one you have just finished reading *The ABCs of Success*. It was a great book and you remember that it mentioned a lot of smart things. But you can't remember much of it now as you close the book. In the second scenario you have just finished the same book. The difference now is that you have a plan for how to implement this new knowledge to improve your life. Most people will find themselves in scenario one. We believe that reading is an investment. You spend time with a book because you hope that it will make you happier, healthier, wealthier or smarter. But simply just reading a great book is not enough. You have to take action! In this workbook you will be guided through the process of how to make real and lasting changes from what you have read. PLEASE NOTE: This is an unofficial workbook and was created to be used as a compliment to Bob Proctor's book: *The ABCs of Success*. From humble beginnings to celebrated entrepreneur and successful business coach, William Todd is one of the few to be personally mentored by one of the masters of personal and business development, Bob Proctor. *The Mentor in Me* chronicles a journey many of us can relate to -- been given the tools and guidance to achieve success and then only sometimes following through on the wisdom offered. The book documents the time when William used *The Seven Levels of Awareness* to unlock doors and change paradigms and the times when, to his detriment, he failed to make the most of opportunities presented. Until he understood why he was not achieving long-lasting success, he was doomed to failure. *The Mentor in Me* offers a rare opportunity to watch as Bob Proctor mentors William through the peaks and valleys (ditches) of entrepreneurship towards a life of seemingly effortless abundance. *The Mentor in Me* is not just for entrepreneurs, however. It is for corporate professionals, students, parents and grandparents, educators, and budding entrepreneurs alike. "The Mentor in Me is not a book you pick up and read. It's a book you form a relationship with and you will want to study it daily for the rest of your life." -- Bob Proctor Dit boek leert je hoe je door je denken te veranderen je je droom kunt manifesteren. Earl Nightingale zegt in de jaren 60, "We become what we think about". Een mens is wat hij de hele dag denkt. Door je gedachten te veranderen, verander je ook je leven. Het boek laat je zien hoe het bewustzijn en onderbewustzijn werkt en hoe je door je gedachten te veranderen je droom kunt manifesteren. Een boek vol informatie en praktische oefeningen en als je toepast wat je leert, kan het miljoenen waard zijn. Dit boek stelt je in staat om de persoon te worden die jij wilt zijn. Je zult ontdekken dat zoals Napoleon Hill zegt: Whatever the mind of man can conceive and believe, it can achieve *Thoughts Are Things* is a wonderful, motivational text from two acclaimed public speakers and accomplished authors—Bob Proctor and Greg S. Reid. What mind-set determines whether or not a person will be successful? Do successful people think differently from those who never reach their potential? How can we change our thoughts so that the result of every thought—the offspring of thought—sets us up to win rather than lose? Bob Proctor and Greg S. Reid, authorized by the Napoleon Hill Foundation, delve deeply into the science and psychology of thought, and how thinking is vitally important to a meaningful, successful life. In their interviews with neuroscientists, cardiologists, spiritual teachers, and business leaders, the authors show in *Thoughts Are Things* how we can think to live! Bob Proctor is known throughout the personal development world as the master thinker. When it comes to systematizing life, no one else comes close. He is simply the best. Bob Proctor collects thoughts and strings them together in exquisite arrays; one thought leading logically to the next until a whole method has been constructed. In *Born Rich*, Bob Proctor has done it again, this time taking you step by step to the surprising discovery that success is not always reaching out for something that you don't have but rather only reaching over and rearranging the pieces that are already there. His non-sense instruction will guide you in unlocking your infinite potential and realize your inner-millionaire. Use this book as a manual for personal and financial fulfillment as you instantly apply the conclusions to your own life. If you are looking for a road map to start building a new life that you now only dream about, this is a must read book. The incredible insights and Proctor's nuggets of wisdom will change your mindset and the way you think about money and your life. It will begin to impact you long before you reach the last chapter. "Everyone is born rich, sometimes we are a little short of cash" - Bob Proctor Rich Cohen ging in de jaren negentig als jonge verslaggever voor muziekblad *Rolling Stone* mee op tournee met de Rolling Stones. Hij viel als een blok voor hun humor en camaraderie, het onderlinge geplaag, het harde leven. En dat is zo gebeven. Voor Cohen zijn de Rolling Stones de grootste rock-'n-roll band aller tijden. Het verhaal begint bij het prille begin, als Mick en Keith elkaar in 1962 ontmoeten op een Perron, en volgt de band langs de vele hoogte- en dieptepunten. Cohen staat stil bij de momenten die niet alleen aantonen dat de Stones getalenteerde muzikanten en de meest innovatieve songwriters van hun generatie zijn, maar ook de iconen van onze moderne cultuur. Want uiteindelijk, na de drugs, de vriendsinnen, de ruzies en de eindeloze retinies, is er de muziek. Na De zon en de maan en de Rolling Stones wil je alle oude nummers opnieuw beluisteren, én de obscure pareltjes die je nog nooit hebt gehoord. De muziek zal, samen met Cohens frisse en energieke benadering van de band, voor eens en voor altijd duidelijk maken waarom de Stones er altijd toe blijven doen. Rich Cohen is journalist en schrijft onder meer voor *Vanity Fair*, *The New Yorker* en *Rolling Stone*. Daarnaast publiceerde hij tien boeken, waaronder *Tough Jews* en *Sweet and Low*. Ook schreef hij het script voor de HBO-serie *Vinyl*. Cohen ontving meerdere prijzen voor zijn werk. Zelfhulpguides om door de kracht van positief denken materiële voorspoed te verwerven. Proctor's position in the business motivation community equals that of Stephen Covey or Og Mandino. But as is not the case with those masters, his books have never been available to the general public—until now! prosperity—Proctor goes beyond the simple laws of success and attraction, weighing in on sixty-seven different topics essential to all those who wish to make their dreams a reality, including persistence, winning, effectiveness, and vision. Organized in A-to-Z fashion and composed of brief essays that can be read over and over, The ABCs of Success is an essential resource for anyone who wants the combined wisdom of a century of success thinking in a single, accessible volume. When you're doing something that's out of the ordinary, your mental programming, your paradigm, will try and stop you. If you want to win, you must keep going. Your paradigms may be masked in complacency, fear, worry, anxiety, insecurities, self-doubt, mental hurry and self-loathing--the result is keeping you STUCK...locked in a box and starved of your dreams and ambitions. To change your life--you MUST change your paradigm. The change is not easy, but it's worth it, and the results are lasting. Bob Proctor will show you his proven methods for doing so. This book will synthesize his decades of study, application, and teaching to: Explain what paradigms are and how they guide every move you make Teach you how to identify your paradigms Show you how to make your own Paradigm Shift Help you transform your finances, health and lifestyle when you change your paradigm Guide you on how to replace a paradigm that doesn't serve you well with a new one that frees you to create the life you really want Bob will break through the myth many people have about success--that long hours and hard work are sufficient to achieve lasting success. Because without changing your paradigm, no amount of hard work and long work hours will make a measurable, lasting difference in your success. Once you go through Bob Proctor's Paradigm Shift Process, you will expose yourself to a brand new world of power, possibility and promise. Please note: This is a companion version & not the original book. Sample Book Insights: #1 The road to your goal may be a rough one, so it is important for you to be emotionally invested in the idea of reaching your goal. Your goal should be something you want, not something you need. #2 If you can create the picture, and lock into it, the method of how it will be accomplished will come. Don't worry about whether you're comfortable with the idea or not. The belief and the method of accomplishing it will come, provided you persist.
