Are you achieving your dreams and goals? Are you where you want to be financially and personally? Are you tired of making financial mistakes and ready to get ahead? In *FLIRTING WITH FINANCE*, our main character Samantha Davis learns about finance the hard way. It's complicated at first, but determined to uncover the true 'game' of finance; she learns what her incredible best friend, Morgan, describes as a 'different language'. *FLIRTING WITH FINANCE* uses real life stories to explain complex financial concepts in an easy to understand way. Join Samantha as she goes from college to career: conquering checking accounts, retirement accounts, investing, knowing the difference between a stock and a bond, buying real estate, cars, getting an inheritance, and eventually, after taking a few bumps along the way, making smart personal choices. Instead of cramming facts and laws into the text, we broke up the endless information into a captivating story which contains all sorts of useful, humorous and even fascinating information to make the task of balancing your financial life with your fun life diverting, and even downright entertaining! *FLIRTING WITH FINANCE* will place you on the road to financial confidence, and help you achieve financial freedom! "I dare anyone to read this book without a ginormous grin on their faces. Warmth, humor and enchantments burst off the page, and the colorful characters of the Granados family crackle to life with Cervantes's signature wit, aching empathy and enviable flair for whimsy." —Roshani Chokshi, NYT bestselling author of *The Gilded Wolves* trilogy. Jane the Virgin meets *The Sisterhood of the Traveling Pants* in New York Times bestselling author J.C. Cervantes's charming, romantic YA debut. Ava Granados will never forgive herself for being late to her beloved nana's deathbed. But due to a flash flood that left Ava in a fender bender with a mysterious boy, she missed her grandmother's mystical blessing—one that has been passed between the women of her family upon death for generations. Then Nana's ghost appears with a challenge from beyond the grave. As it turns out, Nana did give Ava a blessing, but it missed its target, landing with the boy from the night of the storm instead. Was it fate? Ava refuses to believe so. With the help of her sisters and Nana's rather bumbling spiritual guide, she's determined to reclaim her share of the family magic and set Nana free. For guarded Ava, befriending some random boy is the last thing she wants to do. She's gotten along just fine protecting her heart—keeping people at a distance is a great way to ensure no one ever hurts you. But as Ava embarks on her mission to retrieve the lost blessing, she starts to wonder if getting close to thunderstorm boy is worth the risk. In her swoony, heartwarming young adult debut, New York Times bestselling author J.C. Cervantes weaves an unforgettable tale about family, fate, and finding love where you least expect it. The simplest things are the hardest to master. From brewing your morning cup of coffee and reading the newspaper to apologizing or remembering names, it's the small stuff that makes up day-to-day life. *The Experts' Guide to 100 Things Everyone Should Know How to Do* provides unparalleled insights into how to do them better—more resourcefully, more effectively, and more efficiently—in 100 brief how-to essays by 100 of the world's leading experts, including:

SAY HELLO TO A WORLD OF FLIRTING FUN! Sometimes we meet someone and know right away: it's love. Best view of the first stage of the show Steps: Method 1 of 6: Being kind take care of yourself. Physical appearance plays a huge role in attracting others. People immediately realize how much you care about your health and your appearance, so it is worth spending more time and energy when trying to attract someone. People will realize that you are not taking care of yourself and that may end someone's interest. To get the best possible physical appearance, do physical activities, eat well, maintain good hygiene habits, and wear clean clothes that fit your body. Method 2 of 6: Prepare for emotional obstacles Don't pretend you misunderstood. Many people do this. Pretending that you don't care or that you care about the relationship doesn't help and makes the other person feel like a burden. Showing disinterest does not work. Method 3 of 6: Develop a connection Get to know the person better. The first step is getting someone to get to know them better and letting them get to know you better. Meeting someone takes time and energy, because you will have to ask the right questions and know how to listen carefully. Ask her what she wants to be a child and what she dreams of doing now. This way you will know this person's hopes and dreams as well as other things to expect from life. Ask about interests, hobbies, goals, likes and dislikes. Method 4 of 6: Loving your partner Respect him. Respect is very important in a love relationship. Always give your loved ones opportunities to speak up and express their opinions, and when they do speak, listen carefully. Respecting your loved one means not giving them reasons to suspect that you are being unfaithful. Flirting with others is fun, but if she sees you flirting with everyone walking down the street, she will never want to commit to you. Method 5 of 6: Keep the person in love Appreciate your partner. Never underestimate him. If a person falls in love with you, it will take an effort to keep the love alive. The best way to keep someone in love is to never stop appreciating them. Every day, show how much you appreciate it. For example, give thanks whenever your loved one does something good for you. It is important that the thanks be honest and specific, such as: "Thank you for saving the dishes and making breakfast! This made my day so much easier! I was so happy." Method 6 of 6: Starting a novel I am looking for the right person. Finding the right person will greatly increase your likelihood of falling in love, being reciprocated, and staying in love. The chosen one must be ready for a serious relationship, be able to handle the emotional stress of a love relationship and be compatible with you. If he doesn't meet these requirements, you are just wasting time and you may end up hurting yourself. Think about compatibility: do you like the same things? Do they have the same life goals? People who make good husbands tend to approach drama in a similar way and prioritize the same things in life.
