Deze nieuwe autobiografie is intiemer en persoonlijker dan ooit Een inkijkje in het leven van Richard Branson: wat maakt hem al vijftig jaar lang de succesvolste ondernemer ter wereld? Vijftig jaar geleden begon Sir Richard Branson zijn eerste commerciële bedrijf. In zijn nieuwe autobiografie deelt de oprichter van Virgin Group zijn persoonlijke ervaringen als 's werelds bekendste en succesvolste ondernemer. In Finding my Virginity onthult Branson hoe hij zijn familiebedrijfje liet uitgroeien tot een wereldwijd merk, hoe hij zijn kinderdroom liet uitkomen door gewone burgers de ruimte in te sturen en hoe hij besloot de bedrijfswereld compleet op zijn kop te zetten. Ook krijgen we een persoonlijk inkijkje in wat hem beweegt. Branson combineert zijn huwelijk en het opvoeden van zijn kinderen met zijn werk en toch slaagt hij erin over de hele wereld miljardenbedrijven op te zetten. Dat deze levensstijl de nodige avonturen oplevert, bewijzen behind the scenes-verhalen over ontmoetingen met Bill Gates, Kate Moss en voormalig president Barack Obama. Kom alles te weten over hoe Sir Richard Branson de eerste commerciële ruimtevaartmaatschappij ter wereld, Virgin Galactic, opzette en hoe hij het hoofd moest bieden aan de grootste crisis ooit. Nog steeds overtreedt hij alle regels, zoekt hij de grenzen op en reikt hij naar de sterren. Dit is het verhaal achter de man die het allemaal klaarspeelt, steeds maar weer. De pers over de boeken van Richard Branson: 'Inspirerend voor iedereen die op een verantwoorde, respectvolle manier zijn of haar dromen waar wil maken.' Dit is geen conventioneel boek over leiderschap. Er zijn volgens Branson namelijk geen regels, maar wel geheimen die hij heeft geleerd in zijn tijd bij onder andere Virgin Records. In De Virgin-Way deelt Richard Branson deze geheimen over authentiek leiderschap en succes. Aan de hand van persoonlijke anekdotes en ervaringen van mensen die hem hebben geïnspireerd – van politici, zakenmannen, ontdekkingsreizigers, wetenschappers en filantropen – laat hij zien hoe belangrijk plezier, passie, familie en de uitstervende kunst van het luisteren zijn voor wat zijn werknemers over de hele wereld 'The Virgin Way' noemen. Of je nu aan het begin van je carrière staat of het hoofd van een Fortune 500-bedrijf bent – De Virgin-Way helpt je om je eigen directeur te zijn en een ware leider te worden, niet zomaar een baas. Not many businessmen are as well-known their personal lives as by the business empires they run. In fact, few of us would probably know much about the owners of most businesses. However, when you hear the name Virgin Group, the name of Richard Branson comes to mind immediately. Branson, who was knighted at Buckingham Palace in March of 2000, becoming Sir Richard Branson, has an estimated net worth of US \$5.2 billion. Seminar paper from the year 2018 in the subject Business economics - Business Management, Corporate Governance, grade: 1, , language: English, abstract: Richard Branson has emerged to be one of the 21st century historical entrepreneurs owing to his leadership style and personal characteristics. In the past twenty years, Richard Branson has realized remarkable recognition in the business world in which he has expanded his investment in an array of ventures. His interest in business developed long ago during his elementary education when he dropped out of school and established a mail-order business. Later on, he transformed his mail-order business into a record label, in 1970s. It is quite surprising to learn that Branson adopted reliable business leadership approaches in his business leading to a rapid expansion (Dearlove, 2007). It was during its initial successes that Branson owned record stores, which bore the Virgin Records brand. In 1980s and 1990s, Branson extended his business venture into airlines in which he established the Virgin Atlantic Airways. In addition, he expanded his business further when he established a Virgin record label in the US. Another significant advancement of Branson's investment was the establishment of a space tourism company named Virgin Galactic. His intention for establishing this company was for reaching orbital trips around the world owing to the remarkable growth of global tourism (Walenius & Westerstål, 2010). Currently, Branson owns the Virgin Group which is valued at \$5 billion. Virgin Group consists of over 200 different companies including cellular phone companies, airlines and record labels. Sir Richard Branson is an English business magnate, investor and philanthropist. He founded the Virgin Group, which controls more than 400 companies. Branson expressed his desire to become an entrepreneur at a young age. His first business venture, at the age of 16, was a magazine called Student. In 1970, he set up a mail-order record business. He opened a chain of record stores, Virgin Records-later known as Virgin Megastores-in 1972. Branson's Virgin brand grew rapidly during the 1980s, as he set up Virgin Atlantic airline and expanded the Virgin Records music label. In March 2000, Branson was knighted at Buckingham Palace for "services to entrepreneurship." For his work in retail, music and transport (with interests in land, air, sea and space travel), his taste for adventure, and for his humanitarian work, he became a prominent figure. In 2002, he was named in the BBC's poll of the 100 Greatest Britons. In 2004, he founded spaceflight corporation Virgin Galactic, noted for the SpaceShipOne project. In November 2017, Forbes listed Branson's estimated net worth at \$5.1 billion. 'Waar een wil is, is altijd een weg!' aldus Richard Branson. Kunnen we ons leven meer inhoud geven en tegelijkertijd de wereld helpen verbeteren? Branson laat op inspirerende wijze zien hoe je dat kunt bewerkstelligen. Zo niet, dan toch introduceert een compleet nieuwe manier van werken. Branson beschrijft hoe makkelijk het eigenlijk is om je werk niet alleen een baan van negen tot vijf te laten zijn. Hoe je je mentaliteit kunt veranderen, problemen op kunt lossen en je baan tot iets kunt maken waar je écht trots op kunt zijn. Zijn aanpak is een grote inspiratie voor iedereen die succesvol zakendoen wil laten samengaan met het streven naar een betere wereld. Richard Branson, the international powerhouse entrepreneur, is an opportunist with an uncanny knack of sniffing out great deals where others hesitate or fear to tread. Branson is the ultimate brand builder and never before has a single brand been so successfully deployed across such a diverse range of goods and services. So how does he do it? Richard Branson's life is an adventure, from record-breaking balloon flights to courtroom battles with British Airways. This autobiography of the founder of the Virgin empire, offers an insight into the private and public world of this larger-than-life entrepreneur. A look into the mind of "the world's consummate entrepreneur" through his quotes on leadership, branding, innovation, social responsibility, and more (Huffington Post). Richard Branson, who has been called "England's most outrageous billionaire," is also one of the world's most successful business leaders. Since the age of 16, when he founded Student magazine, Branson has been creating companies and finding innovative ways to grow them into the prodigious conglomerate known as the Virgin Group. At the age of 20, Branson founded a mail-order record retailer. Two years later he built a recording studio where the first artist signed to his Virgin label, Mike Oldfield, recorded the haunting soundtrack to The Exorcist. Decades later, industries as varied as entertainment (Virgin Music), retail (Virgin Megastores), transportation (Virgin Airlines), and telecommunications (Virgin Mobile) all bear Branson's business moniker. For the first time, the most thought-provoking, revealing, and inspiring quotes from Branson have been compiled in a single book. Updated and redesigned since its initial publication in 2013 as Virgin Rebel: Richard Branson in His Own Words, this new edition is a comprehensive guidebook to the inner workings of the Virgin Group chairman and founder. Hundreds of Branson's best quotes, comprising thoughts on business, music, entrepreneurship, politics, exploration, and life lessons, provide an intimate and direct look into the mind of this modern business icon. "I have no secret. There are no rules to follow in business. I just work hard and, as I always have done, believe I can do it." —Screw It, Let's Do It, page 30 This book reveals who the real Sir Richard Branson is. We will show you that he is not the playboy one might think he is and he is actually not as rich as people think he is - he is richer. There are a lot of errors out there in the public domain about Richard and we will bring those errors to a close in this book. When you think of Richard Branson, most would most likely think of the Virgin group or think of Virgin Airlines. It is indeed the case that the product has overtaken the man. This book will show you, without a doubt, that the man and the brand are totally unlike each other and that the man behind the brand is really a highly empathic person who, until recently, did not know how to read a Balance Sheet. What he brings to the table is not MBA level business acumen or strategy - what he brings to the table is a brand that represents unyielding quality and class. The Virgin brand is not just a group of companies that belong to Richard, it is a flagship of companies where Richard is the principal investor and lends his name to the business. This is a highly beneficial arrangement and we will show you in this book how all this came to be. From Virgin Records to his labs that do advanced energy research. It's all covered. Don't wait any longer! Scroll up and click the 'Buy Now' button now to learn more about the man behind Virgin. \* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. \*By reading this summary, you will discover the philosophy of the company

founded by Richard Branson, Virgin, and the vicissitudes of its development. \*You will also discover : Richard Branson's deepest motivations; His advice for entrepreneurs; The direction he wants the Virgin Group to take; His ambition to be the "savior of humanity." \*Richard Branson explains the reasons that led him to write this book: he wants to share the solutions and philosophy he has instilled in Virgin, with all entrepreneurs. One of the most important ideas for him is the fact that a company must maintain a human scale, even if one entity oversees all companies. This is the leitmotif of this book. Richard Branson also advocates simplicity: it is the only way for a company not to forget the meaning of its mission and, according to him, this is the case with Virgin. \*Buy now the summary of this book for the modest price of a cup of coffee! In Screw It, Let's Do It, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on Gaia Capitalism to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In Screw It, Let's Do It I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968,

and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages. What companies comprise the vast Virgin Group? This book looks at the life of Richard Branson, with a focus on how he became successful. The name Virgin Group is widely known to most people in the world, and so is the name of its founder. Sir Richard Charles Nicholas Branson knew at a very young age that he wanted to be an entrepreneur. He launched his first business venture when he was 16 years old, an age when most teenagers are not even sure what they want to do in their lives. With an estimated net worth of US\$5.2 billion (which is increasing with every passing day), Branson was knighted in Buckingham Palace in March 2000. With over 400 companies operating under the Virgin Group banner, Richard Branson is surely an inspiration for anyone who wants to make it to the top in the world of entrepreneurship. Whether it is his record business or his airlines business, it seems as if whatever he touches turns into gold and he becomes more and more of a success. Do you want to know more about the life of Richard Branson? Do you want to know where he was born and about his family? Do you want to know how he started his life as an entrepreneur and how he made it to the Forbes list of billionaires? Continue reading and you will find all your answers right here. Author Shirley Raye Redmond examines the biographical details of a mega-magnate, Sir Richard Charles Nicholas Branson. He founded the Virgin Group, which controls more than 400 companies, but he is also a world-recognized philanthropist. The unusual, frequently outrageous autobiography of one of the great business geniuses of our time, Richard Branson. In little more than twenty-five years, Richard Branson spawned nearly a hundred successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), and others ranging from financial services to bridal wear, Branson has a track record second to none. Many of his companies were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. In this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Family, friends, fun, and adventure are equally important as business in his life. *Losing My Virginity* is a portrait of a productive, sane, balanced life, filled with rich and colorful stories, including: - Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe - Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins - Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment - Swimming two miles to safety during a violent storm off the coast of Mexico - Staging a rescue flight into Baghdad before the start of the Gulf War And much more. *Losing My Virginity* is the ultimate tale of personal and business survival from a man who combines the business prowess of Bill Gates and the promotional instincts of P. T. Barnum. What would you do with a billion dollars? This question gets a definitive answer from billionaire Richard Branson: do everything! Born into a wealthy family in London, Branson suffered from dyslexia and was a poor student. Still, his knack for business started early with a successful parakeet-breeding enterprise at age 11. The charismatic entrepreneur launched his first major business, Virgin Records, at age 22 and spent the next few decades building the Virgin group that now includes more than 400 companies. Known for his eccentric lifestyle and trillion-watt smile, Branson's hot air balloon flights, innovative leadership, and world record attempts have made him an instantly-recognizable global icon. **STORY OF STRIVE: The Inspiring Journey of Richard Branson, BY PRIME PUBLISHERS** Richard Branson is founder of the Virgin Group, one of the world's most recognizable brands. Not to be confused with Richard Bronson or Richard Brandon. Charismatic entrepreneur Richard Branson became well known when his daredevil business tactics were upstaged by his death defying antics as a sportsman. Founder and mastermind of the Virgin business enterprise, Richard Branson hewed a reputation as one of the most popular personalities in all of England. The charismatic Branson attracted crowds and media attention everywhere, not only in the course of his business exploits but also for his adventurous lifestyle. At the height of his popularity, Branson's name was touted for prime minister, and even monarch, of his native Britain. Tongue-and-cheek aside, Branson's financial escapades were serious business, and his adventurous personal nature projected an aura that seemed larger than life. Richard Branson was born on July 18, 1950 into a middle class family in the English county of Surrey. Branson was the oldest of three siblings. His father, Edward (Ted) Branson was an attorney, in the tradition of the Branson family ancestry. Most agree that Branson inherited his Nordic looks as well as his adventurous spirit from his mother, Eve Branson, a one-time dancer and actress, and a former flight attendant. So energetic and spirited was Eve Branson, that she learned to fly gliders at a time when few women drove cars. She flew so well, in fact, that she trained with the Royal Air Force (RAF) cadets for duty during the Second World War. The Branson children were raised to be hearty, active, and brave. Richard Branson was not adventurous by nature. Out of concern, his mother left him alone in the countryside one day, with instructions to find his own way home through the fields of Devon. Branson was only four at the time, and a neighboring farmer eventually discovered the boy and alerted the Bransons to retrieve their son. Young Richard, who spent that day chasing butterflies, was enamored by the exhilaration of freedom at such a young age. Years later, when his parents enrolled him at Stowe boarding school in Buckingham, he found the environment too restrictive. He dropped out of high school and moved to London, where he made his living as a publisher and later opened a retail record business. Now, he's laying out his secrets for success to help future entrepreneurs and business leaders. With four decades of taking notes, failing at many endeavors, and succeeding at many more, Branson tells us what he's learned throughout his career as an entrepreneur. As you'll find out, Branson is more than just a great leader. You'll also discover how being a great listener and cultivating a passionate culture are perhaps two of the greatest skills you'll need for success. Keep reading to find out why speeches are a waste of time, how keeping it simple is key in business, and why young people are essential to a company's success. This book is about the early life of Richard Branson, the story of his success, and all his business lessons. Reading it will begin to give you an idea of what it takes to be a mega-entrepreneur. It contains tips and business advice from Richard Branson himself. Just like other entrepreneurs, Richard Branson loves to create things. He sees problems in the world and seeks to provide solutions. Unlike others, however, this mega-entrepreneur has established many different businesses, some of which we will look at later. Branson has not held back the secrets of his success, freely giving other entrepreneurs advice along the way. Op 20 juli 1969 kijkt de wereld ademloos toe als de eerste mens voet op de maan zet. Een wereldwijde fascinatie met ruimtevaart is geboren. Ook bij de jonge Peter Diamandis ontwaakt de droom om astronaut te worden. Wanneer hij zich realiseert dat NASA bemande ruimtevaart aan het terugschroeven is, begint hij aan een avontuur dat leest als een jongensboek. Als de overheid hem niet naar de ruimte kan brengen, dan creëert hij de commerciële ruimtevaartindustrie toch zelf? In 1990 was ruimtevaart voorbehouden aan wereldmachten. Het idee van commerciële ruimtevaart was pure science fiction. Het weerhield Diamandis echter niet en hij vond inspiratie in het verleden: de gouden eeuw van de luchtvaart. Hij ontdekte dat Charles Lindbergh zijn trans-Atlantische vlucht had gemaakt om een prijs van \$25.000 te winnen. Die vlucht maakte hem de beroemdste man op aarde en vormde het fundament voor de luchtvaartindustrie. Waarom zou hetzelfde niet mogelijk zijn voor de ruimtevaart? Diamandis bedenkt de XPRIZE; een prijs van \$10.000.000 voor het eerste team dat een bemand ruimteschip twee keer binnen twee weken in de ruimte weet te krijgen. Het uitschrijven van de prijs resulteerde, zoals Diamandis hoopte, niet alleen in een overwinning van een team, maar legde de basis voor een nieuwe ruimtevaartindustrie. Het buitengewone verhaal van de kogelvormige SpaceShipOne en de andere teams op jacht naar de prijs, gaat over het onmogelijke mogelijk maken en het najagen van obsessies.
