Cowboy Knight Salvation Jan 14 2020 Cowboy Knight Salvation is a tale of choices and directions about one of the last American generals, Alan Cally, who has to face the reality that all he has done for war against the individualist was wrong. He had a love of the Old West from movies he had only seen from childhood, but that would all change when he and his AI robotic horse, Ranger, explore the New West. They encounter a frontier teaming with giant creatures from the past. His love for adventure would lead him to a man who would help him change everything he stood for and humble his very soul. This is a story with action, adventure, tragedy, and most of all, hope. Like the New West, he would learn to become a new man. **Shadow on the Trail** Sep 21 2020 In the days of the frontier West, it was not unusual for desperadoes and fugitives from justice to seemingly disappear from the face of the earth. Shadow on the Trail by Zane Grey, one of the bestselling authors of all-time, is the story of one such man who returned to reestablish himself in a law-abiding society. In Texas, young bank robber Wade Holden, once the toughest, fastest triggerman in the notorious Simm Bell gang, makes a promise to his dying mentor that he will go straight. He is tired of shooting, riding, and fighting. All he wants now is to settle down on the ranch for a nice peaceful life. But with the Rangers on his tail, he struggles to find sanctuary. With the help of a young woman and her family, he attempts to turn his life around in Arizona.

Pohoi and Comanche Spirit Power Aug 01 2021 It is the spring of 1860, and a battle for power looms on the horizon. Within the high plains of the Llano Estacado, a fifteen-year-old Comanche woman pesters her powerful aunt with taboo questions about how to gain spirit power. Pohoi knows a time of terrible change is coming. But no one realizes that she is prepared to risk everything to save her people and her family. After Pohoi ignores the concerns of her best friend, Yellow Bear, and continues to break tradition, traders murder her father and kidnap her white mother. Pohoi, determined to right the wrongs committed against her family, transforms into a ghost warrior and charges toward the soldier-infested plains, where she believes the kidnapers have taken her mother. But it is only after Yellow Bear tracks her location and brings with him her aunt's unwanted child that Pohoi realizes her real battle may be in the place she least expected. In this fascinating historical tale, a young Comanche woman on a quest to earn spirit power learns a shocking truth that quickly blurs the line between friend and foe and reveals a route back to love and to life—but only if she chooses forgiveness over power.

Reminiscences of a Ranger Feb 19 2023 Horace Bell (1830-1918) left Indiana to seek gold in California. In 1852, he moved to Los Angeles and later became involved in American filibustering in Latin America and saw service in the Union Army before returning to Los Angeles after the Civil War to become a lawyer and newspaper publisher. Reminiscences of a ranger (1881) includes anecdotes of Bell's experiences as a Los Angeles Ranger pursuing Joaquin Murietta in 1853, a soldier of fortune in Latin America, a Union officer in the Civil War, and a Los Angeles newspaper editor. He provides lively anecdotes of Los Angeles and its residents under Mexican and American rule, emphasizing cowboys and criminals and native Americans. Throughout, Bell gives special attention to the fate of Hispanic Californians and Native Americans under the United States regime. For another collection of Bell's reminiscences, see *On the old west coast* (1930).

Radio Mystery and Adventure and Its Appearances in Film, Television and Other Media Aug 21 2020 From the 1920s to the 1950s, radio was the entertainment source for millions. Two of the primary themes of radio serials were mysteries and adventure. This is a detailed analysis of the important programs in these genres—Jack Armstrong, The Green Hornet, Sergeant Preston, Tom Mix, and more. Each entry includes type of series, broadcast days, air dates, sponsors, network, cast and production credits, and a comprehensive essay. When, as often happened, the series landed in other media, that is examined as well.

Wild Horse Country: The History, Myth, and Future of the Mustang, America's Horse Apr 09 2022 The “insightful [and] even-handed” (Outside) story of a heroic animal whose existence is in danger. The wild horse, popularly known as the mustang, is so ingrained in the American imagination that even those who have never seen one know what it stands for: freedom, independence, the bedrock ideals of the nation. But in modern times it has become entangled in controversy and bureaucratic mismanagement, and now its future is imperiled. In Wild Horse Country, Pulitzer Prize-winning New York Times reporter David Philipps traces the rich history of wild horses in America and investigates the shocking dilemma they pose in our own time.

Run Oklahoma Run Apr 16 2020 Jack White's intentions were to weave a story of a strong hearted people in a Territory of Greatness. From the discovery of golden fields of tall grass in 1541 by Spanish explorer Francisco Vasquez de Coronado until the United States' Congress made Oklahoma the 46th state in November 1907. Moving from family to family to transport the story from one generation to the next Jack intertwined enough mystery and intrigue to make the book a page-turner. This is definitely not a historical novel filled only with boring dates and unimaginative facts. The story flows and meanders like a winding stream until President Teddy Roosevelt witnesses John Abernathy, an Oklahoman, grabbing angry Lobo wolves with his bare hands. Jack White's goal from the first word typed was to put on paper a record of the history of the most interesting Territory in the greater United States. "Run Oklahoma Run" is a book you will pass down to your great grandchildren.

Man-Hunters of the Old West, Volume 2 Nov 23 2020 Until the early twentieth century, life in the American West could be rough and sometimes vicious. Those who brought thieves and murderers to justice at times had to employ tactics as ruthless as their prey. In this follow-up to his first collection of biographies of the West's most recognized man-hunters, noted western historian Robert K. DeArment recounts the remarkable careers of eight men—Pat Garrett, John Hughes, Harry Love, Harry Morse, Frank Norfleet, Bass Reeves, Granville Stuart, and Tom Tobin—who pursued notorious criminals. Volume 2 of Man-Hunters of the Old West shows that limited resources and dire conditions often made extralegal violence necessary for survival. Harry Love, the famous killer of California bandito Joaquin Murrieta, and Tom Tobin, who ended the murders of the Espinosa gang in Colorado, tracked their quarries to remote hideouts, shot them, and cut off their heads to prove they had been eliminated. Felon trackers, like the vigilante organizations that preceded them, on occasion administered summary justice—the on-the-spot hanging of their captured prey—especially if they believed the established court system was not working. Some of the man-hunters in DeArment's accounts were freelance scouts and trackers; others were career officers of the law. At least one, Frank Norfleet, was a private citizen turned dedicated nemesis of con artists.

Love, Stuart, and Morse began life as easterners who made their way West. All the others were midwesterners or far westerners. Some of these man-hunters wrote about their adventures, and were written about in turn. Garrett's account of his hunt for Billy the Kid remains a best seller, for example, and both Reeves and Hughes have been credited for inspiring the Lone Ranger of TV and movie fame. DeArment discusses constant threats to the man-hunters' survival, the federal government's undependable presence, and extralegal violence as major themes in western law enforcement. In recounting these eight men's adventures, this volume reveals the forces that made brutality seem commonplace.

Cult of Glory May 10 2022 "Swanson has done a crucial public service by exposing the barbarous side of the Rangers." —The New York Times Book Review A twenty-first century reckoning with the legendary Texas Rangers that does justice to their heroic moments while also documenting atrocities, brutality, oppression, and corruption The Texas Rangers came to life in 1823, when Texas was still part of Mexico. Nearly 200 years later, the Rangers are still going—one of the most famous of all law enforcement agencies. In *Cult of Glory*, Doug J. Swanson has written a sweeping account of the Rangers that chronicles their epic, daring escapades while showing how the white and propertied power structures of Texas used them as enforcers, protectors and officially sanctioned killers. *Cult of Glory* begins with the Rangers' emergence as conquerors of the wild and violent Texas frontier. They fought the fierce Comanches, chased outlaws, and served in the U.S. Army during the Mexican War. As Texas developed, the Rangers were called upon to catch rustlers, tame oil boomtowns, and patrol the perilous Texas-Mexico border. In the 1930s they began their transformation into a professionally trained police force. Countless movies, television shows, and pulp novels have celebrated the Rangers as Wild West supermen. In many cases, they deserve their plaudits. But often the truth has been obliterated. Swanson demonstrates how the Rangers and their supporters have operated a propaganda machine that turned agency disasters and misdeeds into fables of triumph, transformed murderous rampages—including the killing of scores of Mexican civilians—into valorous feats, and elevated scoundrels to sainthood. *Cult of Glory* sets the record straight. Beginning with the Texas Indian wars, *Cult of Glory* embraces the great, majestic arc of Lone Star history. It tells of border battles, range disputes, gunslingers, massacres, slavery, political intrigue, race riots, labor strife, and the dangerous lure of celebrity. And it reveals how legends of the American West—the real and the false—are truly made.

Trinity Trio Nov 11 2019 When Bill Travis is asked to travel to the insular East Texas town of Carter to do a favor for his business partner, Bill has to bail a woman out of jail for the attempted murder of a United States Senator, and a pair of Texas Rangers stars get pinned to both Bill's and his sidekick Hank's chests. The investigation goes south, however, when the local Sheriff seems to somehow be involved in a conspiracy to hide the truth. To top things off, there's a speed demon on the loose tearing up the town, Hank may very well be head-over-heels in love with the bail bondswoman, and Tanya—the woman Bill must free—along with the Sheriff's wife, Loraine, and the Senator's wife, Mildred, constitute the Trinity Trio, an unholy alliance holding all the real power in the region. It's Bill Travis with a badge, a gun, and no-holds-barred action, as well as a mystery that evaporates like smoke with every spin of the revolver's breach. *Trinity Trio* is the 14th installment in the Bill Travis Mystery series.

Wild Horses of the West Oct 11 2019 When the Spanish explorers brought horses to North America, the horses were, in a sense, returning home. Beginning with their origins fifty million years ago, the wild horse has been traced from North America through Asia to the plains of Spain's Andalusia and then back across the Atlantic to the ranges of the American West. When given the chance, these horses simply took up residence in the landscape that their ancestors had roamed so long ago. In *Wild Horses of the West*, J. Edward de Steiguer provides an entertaining and well-researched look at one of the most controversial animal welfare issues of our time—the protection of free-roaming horses on the West's public lands. This is the first book in decades to include the entire story of these magnificent animals, from their evolution and biology to their historical integration into conquistador, Native American, and cowboy cultures. And the story isn't over. De Steiguer goes on to address the modern issues—ecology, conservation, and land management—surrounding wild horses in the West today. Featuring stunning color photographs of wild horses, this extremely thorough and engaging blend of history, science, and politics will appeal to students of the American West, conservation activists, and anyone interested in the beauty and power of these striking animals.

Mustang Ride Jan 06 2022 The adventures of the Wilson sisters in the American West. This is the third book from bestselling author and television star Kelly Wilson. Kelly's first two books, *For the Love of Horses* and *Stallion Challenges* were full of stories from the Wilsons' quest to save wild Kaimanawas from the government cull. This time the Wilsons are taking on a new challenge, to tame mustangs at a ranch in Wyoming for competition in the Extreme Mustang Makeover. Join the Wilsons as they take on an adventure with a surprising twist, and a horse trek across six states in the American west.

Mustang Miracle Aug 13 2022 In 1957, when very few Mexican-Americans were familiar with the game of golf, and even less actually played it, a group of young caddies which had been recruited to form the San Felipe High School Golf Team by two men who loved the game, but who had limited access to it, competed against all-white schools for the Texas State High School Golf Championship. Despite having outdated and inferior equipment, no professional lessons or instructions, four young golfers with self-taught swings from the border city of Del Rio, captured the State title. Three of them took the gold, silver and bronze medals for best individual players. This book tells their story from their introduction to the game as caddies to eventually becoming champions.

Swept Away (Trouble in Texas Book #1) Mar 08 2022 Laughter, Romance, and Action Abound in This New Series from Mary Connealy Swept away when her wagon train attempts a difficult river crossing, Ruthy MacNeil isn't all that upset at being separated from the family who raised her. All they've ever done is work her to the bone. She prayed for a chance to get away, and then came the raging flood. Alive but disoriented, she's rescued by Luke Stone...so unfortunately, there are more chances to die in her immediate future. Luke is heading home to reclaim the ranch stolen from his family. But the men who killed his father are working hard to ensure Luke doesn't make it alive. He has no choice but to keep moving. Still, he can't just abandon Ruthy, so she'll have to come along. His friends—a ragtag group of former Civil War soldiers—take a fast interest in the pretty gal. Luke thinks that's rather rude—he's the one who found her. And the more time he spends around the hard-working young woman who is a mighty good cook, the more he finds himself thinking beyond revenge and toward a different future. For the first time in a long time, Luke is tempted to turn from his destructive path and be swept away by love.

Early Settlers and Indian Fighters of Southwest Texas Jan 26 2021 This edition is abridged and annotated with updated information. A judge from Prussia. A French Texas Ranger. Emigrants from all over the U.S. Their names and stories are mostly now forgotten but were recorded in this 1900 volume by Andrew Jackson Sowell. They were mostly young, hardy, and looking for new opportunities in land they felt was wide open but, in fact, was inhabited by Native Americans. The lives of these early pioneers is part of the history of the American West. The original bound edition of this book ran over 1100 pages and most of that content is here. It's the story of an incredibly violent and adventurous time that was lived by the people whose stories you find here. Sowell talked to them all and created one of the most interesting collections of personal histories of the wild West. For less than you'd spend on gas going to the library, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

Allison-Engined P-51 Mustang Sep 02 2021 While the introduction of the Merlin engine did improve the Mustang's performance and produce the bubble-canopied fighters with which we associate the name, credit must be given to the Allison-engined variants that preceded it. From its inception in early 1940, the Mustang's development was extraordinarily rapid – such was the need for a fighter at the time, and the confidence in its design. By early January 1942, the Mustang was in service with the RAF, flying low-level armed reconnaissance operations over Northern France. Despite later Merlin variants arriving in-theatre, this remained a hunting ground for the Allison Mustangs through to D-Day and beyond – a remarkable service length. In American hands the Allison-engined Mustangs performed as dive-bombers and fighters, serving with distinction in North Africa and the Far East.

Lawful Engagement Dec 17 2022 HE LIVED BY THE CODE OF THE WEST Fledgling reporter Cara Hamilton had just landed the story of her life. But it was the aggravating—yet oh-soappealing—Deputy Mitch Steele trailing her every step of the way, insisting they share information, that had her heart racing. Mitch swore all he wanted was to keep her safe. Or so he tried to tell her.... It was Mitch's job to protect the feisty journalist. After all, a killer was loose and Cara had stumbled upon the most recent victim. Mitch would let nothing, and no one, harm beautiful Cara. Even if ensuring her safety meant spending night and day holding her in his arms....

Moon of the Blue Mustang Jan 18 2023 "I was eight years old when I saw the Blue Mustang. This was in nineteen thirty-five. It is said he still roams the canyons, guarding the wild herds, protecting all the creatures of the high desert." Conrado Koteen, Jicarilla Reservation, 1990. Cattle rustlers are plying their trade in San Phillippe—plaguing both local ranchers and the Jicarilla Apache reservation. An ultra-light plane laden with drugs from Mexico plows into a rugged mountain-side—setting in motion a struggle to control the drug trade in Northern New Mexico. Apache sisters, one a Jicarilla police officer, the other in Fish and Wildlife Conservation Enforcement, are confronted by a gunman while off the reservation. A tragedy ensues. The body-count climbs as Sheriff Cliff Lansing contends with drugs, death, cattle theft and a power struggle with the Forestry Service. The resources of his office are spread thin. Almost too late, he realizes more than one murderer may be involved. An Apache legend and family secrets weave their way through the action . . . unseen forces play their part . . . providing Lansing with a mystery he may never solve.
