The Best of Richard Matheson Jan 09 2022 The definitive collection of terrifying stories by "one of the greatest writers of the 20th century" (Ray Bradbury), edited by award-winning author Victor LaValle Among the greats of 20th-century horror and fantasy, few names stand above Richard Matheson. Though known by many for novels like *I Am Legend* and his sixteen *Twilight Zone* episodes, Matheson truly shines in his chilling, masterful short stories. Since his first story appeared in 1950, virtually every major writer of science fiction, horror, and fantasy has fallen under his influence, including Stephen King, Neil Gaiman, Peter Straub, and Joe Hill, as well as filmmakers like Stephen Spielberg and J.J. Abrams. Matheson revolutionized horror by taking it out of Gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own. He infused tales of the fantastic and supernormal with dark explorations of human nature, delving deep into the universal dread of feeling alone and threatened in a dangerous world. *The Best of Richard Matheson* brings together his greatest hits as chosen by Victor LaValle, an expert on horror fiction and one of its brightest talents, marking the first major overview of Matheson's legendary career. "[Matheson is] the author who influenced me most as a writer." -Stephen King "Richard Matheson's ironic and iconic imagination created seminal science-fiction stories . . . For me, he is in the same category as Bradbury and Asimov." -Steven Spielberg "He was a giant, and YOU KNOW HIS STORIES, even if you think you don't." -Neil Gaiman For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a

global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

It is presented with neither evidence nor judgment as to its validity. This determination is for the reader to make. Here is Richard Matheson's classic chilling, ghost story Slaughter House. Can a dead woman really come between two brothers?

The Literary Haunted House May 13 2022 The haunted house of American fiction is an iconic union of setting and theme with an enduring presence in popular culture that traces its lineage to the early English Gothic novels. Blurring the boundaries between past and present, the living and the dead, the haunted house—synonymous with the dark side of domesticity—challenges accepted notions of reality and wields a special power over the reader's imagination. Focusing on the work of H. P. Lovecraft, Richard Matheson and Stephen King, this critical work offers a fresh perspective on one of the most popular motifs in American fiction. Case studies demonstrate how these authors have kept the past alive while highlighting the complexities of modern society, using their ghostly tales to celebrate and challenge 20th century American history and culture.

*De muur Oct 06 2021 Het schrikbeeld van Engeland: het land wordt langs de kustlijn omringd door een enorme muur. Waar eens golven op stranden sloegen bevindt zich nu een massieve, duizenden kilometers lange betonnen grens. Dag en nacht patrouilleren er mensen op de muur, jonge mannen en vrouwen met geweren en het bevel alle vreemdelingen buiten te houden. Voor de achttienjarige Joseph Kavanagh is het de dagelijkse realiteit. Twee jaar van zijn leven moet hij, net als ieder ander, zijn plicht als verdediger vervullen. Iedere vluchteling die probeert binnen te dringen moet hij met geweld buitenhouden. Wie faalt wacht de dood, of wordt zelf naar zee verbannen. De muur is een angstaanjagende en zeer realistische roman over migratie en klimaatverandering, overleven in barre tijden, de kloof tussen jong en oud, maar ook over het menselijke vermogen tot empathie en liefde tijdens fundamentele onzekerheid. De muur beschrijft een wereld die onmiskenbaar de onze is, zij het onherstelbaar beschadigd. John Lanchester (1962) is een Britse journalist en romanschrijver. Door de rijke kern van humor een genot om te lezen.' *The Times* 'Dit is een intelligent en vermakelijk verslag van onze smoezelige, onzekere, gefragmenteerde Londense samenleving waarin shoppen bijna dezelfde status heeft gekregen als religie. Lees het.' *The Guardian* 'Boordevol inzicht, menselijk mededogen en*

smaak. In alle opzichten een kapitale prestatie.' *The Sunday Times*

The Legend of Hell House Sep 17 2022 Award winning novelist, film and television writer Richard Matheson adapted the script from his novel. This tale of the occult follows four researchers who agree to spend one week in a house known to be inhabited by dangerous and evil spirits. Typical of Matheson's unique style, The Legend of Hell House is not the usual ghost story and is yet another reason why Ray Bradbury described him as one of the most important writers of the 20th century.

Richard Matheson's Monsters Dec 08 2021 This volume chronicles and examines all aspects of the writing career of Richard Matheson, including thematic concerns, authorial techniques, and genre tropes, as well as the influence on contemporaries and later writers.

Nightmare At 20,000 Feet Aug 04 2021 Remember that monster on the wing of the airplane? William Shatner saw it on The Twilight Zone, John Lithgow saw it in the movie-even Bart Simpson saw it. "Nightmare at 20,000 Feet" is just one of many classic horror stories by Richard Matheson that have

insinuated themselves into our collective imagination. Here are more than twenty of Matheson's most memorable tales of fear and paranoia, including: "Duel," the nail-biting tale of man versus machines that inspired Steven Spielberg's first film; "Prey," in which a terrified woman is stalked by a malevolent Tiki doll, as chillingly captured in yet another legendary TV moment; "Blood Son," a disturbing portrait of a strange little boy who dreams of being a vampire; "Dress of White Silk," a seductively sinister tale of evil and innocence. Personally selected by Richard Matheson, the bestselling author of I Am Legend and What Dreams May Come, these and many other stories, more than demonstrate why he is rightfully regarded as one of the finest and most influential horror writers of our generation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Shrinking Man (Richard Matheson's the Shrinking Man)
Jul 23 2020 And you thought spiders were scary before... This faithful comic-book adaptation brings Richard Matheson's masterful exploration of withering 1950s masculinity to vivid new life. Following a freak accident, family man Scott Carey must confront the increasingly (or is it decreasingly?) obvious reality that he is shrinking, at a rate of 1/7 inch per day. And this fall in stature is not merely physical, but social as well. He finds himself dropping in standing, first past the neighborhood teens, then his wife, his young daughter, his cat, the birds in the garden, and finally that spider. The one you'll never see the same way again. Along the way, he confronts questions about what it means to be a man, to be human, or to exist at all. Collects the four-issue comic book series, adapted from Matheson's science-fiction classic, by Ted Adams (Diablo*

House), with art by Mark Torres (Judge Dredd).
