Sherman was founded in 1846, but because of a lack of wood and water, the town moved east to its present location in 1848. The county seat of Grayson County, Sherman was named for Gen. Sidney Sherman, a hero of the Texas Revolution. From the beginning, Sherman was known as an educational center and was nicknamed "The Athens of Texas." The home of Kidd-Key Conservatory of Music, Mary Nash College, North Texas Male and Female Academy, Carr-Burdette College, and today the prestigious Austin College, Sherman has long been an educational mecca. Sherman was incorporated in 1858, the same year the Butterfield-Overland Stage arrived. The stage line was the first mail route west of the Mississippi and covered a distance of 2,795 miles from St. Louis to San Francisco. As Sherman progressed, industry became a mainstay of the community, which continues to thrive today through companies such as Texas Instruments, GlobiTech, Sunny Delight, Progress Rail, Tyson Foods, Fisher Controls, Kaiser Aluminum, and CertainTeed Corporation. Since its founding in 1869 by the Cumberland Presbyterian Church, Trinity University has been engaged in realizing the dreams of its founders to become “a University of the highest order.” In *Trinity University: A Tale of Three Cities*, R. Douglas Brackenridge, professor emeritus of religion at Trinity, brings a wealth of scholarship and knowledge to this institutional history. Brackenridge traces Trinity’s unique heritage from its founding in Tehuacana and growth in Waxahachie to its emergence in San Antonio as a top private university for the study of liberal arts and sciences. He draws on historical records and reports, oral histories, newspaper accounts, books, correspondence, and archives to document the university’s challenges and successes. He describes Trinity’s development within the broader context of private, church-related universities in America, while profiling the administrators, faculty, staff, and students who have contributed to Trinity’s rich heritage. The result is a well-researched story of the founding and the progression of one of the nation’s exceptional institutions for higher learning. Illustrations picture Trinity’s campuses in three cities and include black and white photographs.
