Dive into this Christmas Second Chance Romance!! The last time I saw broody, gorgeous, son-of-a-billionaire, Lincoln Porter, was Christmas Eve...right after I got publicly dumped by his best friend... Imagine my surprise when he told me my ex never deserved me....right before kissing me! That was eight years ago and I haven't seen him since. Okay fine I haven't been home either. As far as I'm concerned, I could go another eight years without the holiday explosion of garlands and mistletoe, holly and tinsel. I avoid Christmas at

all costs. My idiot ex ruined the holidays for me. To make matters worse, everyone sided with him. Including my parents. Everyone but Linc that is. But now, instead of spending the holidays on a warm sandy beach, devoid of jolly men in red suits, my job is sending me home...back to Faith, Virginia. A town often compared to a holiday snow globe. Where the owner of the mouth I ran away from still lives... Damn him and that knowing cocky smile. So here I am, my career on the line. In the one place I swore to never return. And what do you know, Lincoln Porter still has those wide, broad shoulders and the devil's own smile. But I'm not staying. When I ran, I left behind a cold and dismissive family and a small town where I never felt like myself. But this broody, billionaire says he should have given me a reason to stay last time. No way I'm letting him tempt me into staying now. funny books, steamy romance, sexy romance, sexually romantic books, love stories, Christmas romance, Santa, holiday romance. billionaire romance, small town romance, Nana Malone, second chance romance, unrequited love, friends to lovers romance. A combustible attraction... Flirting with a gorgeous stranger at the bar is how Lorraine Mitchell celebrates her longed-for newly single status. One-night

stands usually run hot and wild before quickly flaming out, but Lorraine cannot forget her heated encounter with firefighter Hunter Holland. Weeks later, she is beyond surprised to discover that his father—a former patient of hers—has left her a large bequest! Last time Hunter was in the same room as Lorraine, they were burning up the sheets. Now he's staring at her from across a lawyer's office. At first, guilt and grief convince him that the beautiful nurse took advantage of his long-estranged father. Yet despite mutual mistrust, he knows this kind of chemistry only comes around once in a lifetime. And reviving their spark just might ignite a love that's as deep and true as it is scorching... Dive into this Enemies to Lovers, older brother's best friend, royal romance! I will protect her at all costs... whether she likes it or not. Once upon a time, I threw a princess over my shoulder and carried her out of a bar fight. Jessa has carried that grudge ever since. Hates my guts. She's uncooperative on her best days. Feisty. Stubborn. It's adorable. Not a word I'd ever tell my best friend, of course. Because she's his little sister. The plan was royally simple. Go undercover and protect her. Seeing as it's all I want to do already, it should have been the easiest assignment of my life. But of course, she is determined to cause

trouble. And all the forbidden temptation manhandling her entails. The stakes are too high to mess this up. The monarchy is at risk. And so is my heart. (This is Book 1 in the Royals United duet.)
