The Pathfinder Mar 08 2022 Fifteen years before the 1858 Fraser River gold rush, a Hudson's Bay Company clerk named Alexander Caulfield Anderson threaded his way through mountain passes and down rapids-filled rivers in search of a safe all-British route through the mountains that separated the HBC fort at Kamloops from Fort Langley on the Pacific coast. Eventually, Anderson discovered four routes, succeeding where Alexander Mackenzie and Simon Fraser before him had failed. Without his explorations, historian Derek Pethick once wrote, British Columbia may never have come into being or become a part of the Dominion of Canada. For Anderson, the cross-country expeditions he undertook were welcome antidotes to a fur-trade life that wasn't quite what he'd expected it to be. By the time he joined, in 1831, it was in fact a tightly controlled business that was very different from the adventurous trade that had inspired him. But though he may not have had his dream life, his spirit of adventure kept him going. As explorer, map-maker, artist and writer, he created a wealth of information to guide those of his time and far beyond, and his work—first in the fur trade, then in the communities in which he lived, and finally as Fisheries Inspector and Indian Reserve Commissioner for British Columbia—was always aimed at improving the future of the people he lived among.

Graf von Anderson's College German Grammar and Culture Jan 06 2022 Graf von Anderson's College German Grammar and Culture is a beginners' textbook (CEFR A1-B2, ACTFL novice low – intermediate low) for the German language for college students and for those engaged in self-study with popular software programs and apps. In addition to illuminating profiles of key places and individuals who helped shape German history from Roman times to the present day, the textbook also includes important cultural briefings. Chapter by chapter the book delineates the scope of the German language, beginning with “ich”, and moving on to subjects and verbs. Later chapters introduce cases, indirect and direct objects, prepositions, tenses, moods, and adjectives. Each chapter includes challenging exercises, and an answer key is provided. The rich cultural component in each chapter includes a travel guide, a historical snapshot, several musical selections, and a German text to read. This book is a straightforward and thorough introduction to the basic structures of German grammar and provides an overview of selected highlights of German culture to engage and enthuse.

The Recovered Life of Isaac Anderson Sep 02 2021 Owned by his father, Isaac Harold Anderson (1835–1906) was born a slave but

went on to become a wealthy businessman, grocer, politician, publisher, and religious leader in the African American community in the state of Georgia. Elected to the state senate, Anderson replaced his white father there, and later shepherded his people as a founding member and leader of the Colored Methodist Episcopal church. He helped support the establishment of Lane College in Jackson, Tennessee, where he subsequently served as vice president. Anderson was instrumental in helping freed people leave Georgia for the security of progressive safe havens with significantly large Black communities in northern Mississippi and Arkansas. Eventually under threat to his life, Anderson made his own exodus to Arkansas, and then later still, to Holly Springs, Mississippi, where a vibrant Black community thrived. Much of Anderson's unique story has been lost to history—until now. In *The Recovered Life of Isaac Anderson*, author Alicia K. Jackson presents a biography of Anderson and in it a microhistory of Black religious life and politics after emancipation. A work of recovery, the volume captures the life of a shepherd to his journeying people, and of a college pioneer, a CME minister, a politician, and a former slave. Gathering together threads from salvaged details of his life, Jackson sheds light on the varied perspectives and strategies adopted by Black leaders dealing with a society that was antithetical to them and to their success.

Reports of Cases Argued and Determined in the Supreme Court of Ohio Aug 01 2021

The Wes Anderson Collection: Isle of Dogs Dec 17 2022 The Wes Anderson Collection: *Isle of Dogs* is the only book to take readers behind the scenes of the beloved auteur's newest stop-motion animated film. Through the course of several in-depth interviews with film critic Lauren Wilford, writer and director Wes Anderson shares the story behind *Isle of Dogs's* conception and production, and Anderson and his collaborators reveal entertaining anecdotes about the making of the film, their sources of inspiration, the ins and outs of stop-motion animation, and many other insights into their moviemaking process. Previously unpublished behind-the-scenes photographs, concept artwork, and hand-written notes and storyboards accompany the text. The book also features an introduction by critics and collaborators Taylor Ramos and Tony Zhou, and a foreword by critic Matt Zoller Seitz. The fourth volume of the New York Times bestselling Wes Anderson Collection, *Isle of Dogs* stays true to the series with its rich design and colorful illustrations, capturing Anderson's signature aesthetic vision and bringing the series's definitive study of Anderson's filmography up to date. *Isle of Dogs* tells the story of Atari Kobayashi, 12-year-old ward to corrupt Mayor Kobayashi. When, by Executive Decree, all the canine pets of Megasaki City are exiled to a vast garbage-dump called Trash Island, Atari sets off alone in a miniature Junior-Turbo Prop and flies across the river in search of his bodyguard-dog, Spots. There, with the assistance of a pack of newly-found mongrel friends, he begins an epic journey that will decide the fate and future of the entire Prefecture. The film features the voices of Bryan Cranston, Koyu Rankin, Edward Norton, Bob Balaban, Bill Murray, Jeff Goldblum, Kunichi Nomura, Akira Takayama, Greta Gerwig, Frances McDormand, F. Murray Abraham, Tilda Swinton, Akira Ito, Yoko Ono, Mari Natsuko, Harvey Keitel, Courtney B. Vance, Ken Watanabe, Scarlett Johnsson, Fisher Stevens, Nijiro Murakami, and Liev Schreiber.

The American Decisions, Containing All the Cases of General Value and Authority Decided in the Courts of the Several States

Jun 18 2020

Dramatist in America Jan 26 2021 From the 1920s through the 1950s Maxwell Anderson was one of the most important playwrights in America. His thirty-three produced plays make him a leader among these playwrights of America's most creative era in the theater, and a number of his plays have shown a lasting vitality and importance. What Price Glory (1924) dramatized the disillusionment and horror of World War I. With Elizabeth the Queen (1929), Winterset (1935), and High Tor (1936), Anderson revived poetic drama in the modern theater. His versatility as a playwright was further reflected in the satire Both Your Houses (1933), the historical parable Joan of Lorraine (1946), and the musical play Lost in the Stars (1949). This edition of Anderson's letters spans his adult life -- from 1912, shortly after he graduated from the University of North Dakota, to 1958, just before his death. Arranged chronologically, the letters reveal in full and intimate detail the development of his career, his methods of work, his relationships with theater people, his conceptions of himself as a playwright and of the nature of the theater, and his ideas about his plays, all of which focused on an inner moral struggle. Every aspect of his work and personality emerges in these letters, which serve as an autobiography in the rough. Each letter is fully annotated, permitting the reader to become a party to the correspondence. The editor has provided an informative introduction to the letters and also a substantial chronology of Anderson's life that incorporates the first complete bibliography of his plays, poems, essays, fiction, and screenplays. An appendix includes Anderson's previously unpublished statements about his life and his plays. *Dramatist in America*, the first edition of letters by a major American playwright, takes on added importance for its representative quality. It reveals the cultural and theatrical conditions under which a vital generation of playwrights created this country's finest period in the drama.

Essentials of Statistics for Business and Economics Nov 04 2021 Trust the market-leading ESSENTIALS OF STATISTICS FOR BUSINESS AND ECONOMICS, 8E to introduce sound statistical methodology using real-world examples, proven approaches, and hands-on exercises that build the foundation readers need to analyze and solve business problems quantitatively. This edition gives readers the foundation in statistics needed for an edge in today's competitive business world. The authors' signature problem-scenario approach and reader-friendly writing style combines with proven methodologies, hands-on exercises, and real examples to take readers deep into today's actual business problems. Readers learn how to solve problems from an intelligent, quantitative perspective. Streamlined to focus on core topics, this new edition provides the latest updates with new case problems, applications, and self-test exercises to help readers master key formulas and apply statistical methods as they learn them. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Reports of Civil and Criminal Cases Decided by the Court of Appeals of Kentucky Aug 21 2020

Imagined Communities Oct 03 2021 Benedict Anderson's 1983 masterpiece *Imagined Communities* is a ground-breaking analysis of

the origins and meanings of “nations” and “nationalism”. A book that helped reshape the field of nationalism studies, *Imagined Communities* also shows the critical thinking skills of interpretation and analysis working at their highest levels. One crucial aspect of Anderson’s work involves the apparently simple act of defining precisely what we mean when we say ‘nation’ or ‘nationalism’ – an interpretative step that is vital to the analysis he proceeds to carry out. For Anderson, it is clear that nations are not ‘natural;’ as historians and anthropologists are well aware, nations as we understand them are a relatively modern phenomenon, dating back only as far as around 1500. But if this is the case, how can we agree what a ‘nation’ is? Anderson’s proposed definition is that they are “imagined communities” – comprising groups of people who regard themselves as belonging to the same community, even if they have never met, and have nothing in common otherwise. The analysis that follows from this insight is all about examining and breaking down the historical processes that helped foster these communities – above all the birth of printing, and the development of capitalism. Brilliantly incisive, Anderson’s analysis shows how good interpretative skills can form the foundations for compelling and original insight.

Here Comes Cannonball! Nov 23 2020 Mary Jean Anderson is one of California's most successful businesswomen. As owner-president of Anderson Plumbing, Heating & Air, she oversees a company that has grown to \$30 million in annual revenue as the company celebrates its fortieth anniversary. But numbers only tell part of the story. Anderson Plumbing, Heating & Air has been nationally recognized for their outstanding customer service, commitment to ethics, and generosity in the community. Mary Jean's story is about a woman in the male-dominated industry of plumbing, heating, and air. It's also about family, perseverance, and the American dream. Hers is a story all entrepreneurs--especially girls and women--will find inspirational. Laugh, cry, and be motivated as she takes you through her journeys in life and business. With her company motto "Nobody wows clients like we do!" you'll be wowed by her courage and conviction. It is a book that will make you believe in overcoming adversity and dreams coming true.

Anderson's historical and chronological deduction of the origin of commerce, from the earliest accounts ... Carefully revised, corrected, and continued to the year 1789, by Mr. Coombe Jun 30 2021

The Queen of Air and Darkness Aug 13 2022 A collection of nineteen works includes fiction, verse, and essays and features the Hugo and Nebula Award-winning title story and "On Imaginary Science," an essay on science fiction.

Stevenson and Anderson Families of New Jersey, Ohio, Indiana, and Kansas Feb 24 2021 John Anderson was born in New Jersey in 1770. He married Catharine Emery (1769-before 1806) They had six children. He married 2) He married 2) Ann Rosina Anthony, in 1806. He died in 1865 in Hunterdon County, New Jersey. Descendants listed lived in New Jersey, Indiana, and elsewhere.

Bulletin of Bibliography Jul 20 2020

Alcohol, Power and Public Health May 18 2020 In recent years, the reduction of alcohol-related harm has emerged as a major policy issue across Europe. Public health advocates, supported by the World Health Organisation, have challenged an approach that targets problem-drinking individuals, calling instead for governments to control consumption across whole populations through a combination of pricing strategies, restrictions on retail availability and marketing regulations. *Alcohol, Power and Public Health* explores the emergence of the public health perspective on alcohol policy in Europe, the strategies alcohol control policy advocates have adopted, and the challenges they have faced in the political context of both individual states and the European Union. The book provides a historical perspective on the development of alcohol policy in Europe using four case studies – Denmark, England, Scotland and Ireland. It explores the relationship between evidence, values and power in a key area of political decision-making and considers what conditions create – or prevent – policy change. The case studies raise questions as to who sets policy agendas, how social problems are framed and defined, and how governments can balance public health promotion against both commercial interests and established cultural practices. This book will be of interest to academics and researchers in policy studies, public health, social science, and European Union studies.

Soil Survey of Anderson and Franklin Counties, Kentucky Jan 18 2023

Sherwood Anderson and Other Famous Creoles Oct 23 2020 "When Bill Faulkner came to New Orleans he was a skinny little guy, three years older than I, and was not taken very seriously except by a few of us." Thus the late William Spratling, popularly known as the Taxco "Silver King," recalled the mid-1920's, when Faulkner, a young man fresh from Oxford, Mississippi, roomed with Spratling in Pirates Alley. "By the time I would be up, say at seven, Bill would already be out on the little balcony over the garden tapping away on his portable, an invariable glass of alcohol-and-water at hand." A result of their friendship was a book depicting "various people who were then engaged ... with the arts in New Orleans." It was based on firsthand observation. "There were casual parties with wonderful conversation and with plenty of grand, or later to be grand, people." Some of the names, in addition to Sherwood Anderson, were Horace Liveright, Carl Van Doren, Carl Sandberg, John Dos Passos, Anita Loos, and Oliver La Farge. Spratling supplied sharp caricatures of the people and Faulkner contributed succinct captions and a Foreword. It was all "sort of a private joke," but the four hundred copies were sold within a week and the original edition is now a collector's item. This book is a charming reminder of exciting days and talented people.

Value in Ethics and Economics Sep 14 2022 Elizabeth Anderson offers a new theory of value and rationality that rejects cost-benefit analysis in our social lives and in our ethical theories. This account of the plurality of values thus offers a new approach, beyond welfare economics and traditional theories of justice, for assessing the ethical limitations of the market. In this light, Anderson discusses several contemporary controversies involving the proper scope of the market, including commercial surrogate motherhood, privatization of public services, and the application of cost-benefit analysis to issues of environmental protection.

Table of Contents:
Preface
1. A Pluralist Theory of Value
A Rational Attitude Theory of Value
Ideals and Self-Assessment
How Goods Differ in Kind (I): Different Modes of Valuation
How Goods Differ in Kind (II): Social Relations of Realization
2. An Expressive Theory of Rational Action
Value and Rational Action
The Framing of Decisions
The Extrinsic Value of States of Affairs
Consequentialism
Practical Reason and the Unity of the Self
3. Pluralism and Incommensurable Goods
The Advantages of Consequentialism
A Pragmatic Theory of Comparative Value
Judgments
Incommensurable Goods
Rational Choice among Incommensurable Goods
4. Self-Understanding, the Hierarchy of Values, and Moral Constraints
The Test of Self-Understanding
The Hierarchy of Values
Agent-Centered Restrictions
Hybrid Consequentialism
A Self-Effacing Theory of Practical Reason?
5. Criticism, Justification, and Common Sense
A Pragmatic Account of Objectivity
The Thick Conceptual Structure of the Space of Reasons
How Common Sense Can Be Self-Critical
Why We Should Ignore Skeptical Challenges to Common Sense
6. Monistic Theories of Value
Monism
Moore's Aesthetic Monism
Hedonism
Rational Desire Theory
7. The Ethical Limitations of the Market
Pluralism, Freedom, and Liberal Politics
The Ideals and Social Relations of the Modern Market
Civil Society and the Market
Personal Relations and the Market
Political Goods and the Market
The Limitations of Market Ideologies
8. Is Women's Labor a Commodity?
The Case of Commercial Surrogate Motherhood
Children as Commodities
Women's Labor as a Commodity
Contract
Pregnancy and the Status of Women
Contract
Pregnancy, Freedom, and the Law
9. Cost-Benefit Analysis, Safety, and Environmental Quality
Cost-Benefit Analysis as a Form of Commodification
Autonomy, Labor Markets, and the Value of Life
Citizens, Consumers, and the Value of the Environment
Toward Democratic Alternatives to Cost-Benefit Analysis
Conclusion
Notes

Index
Reviews of this book: Anderson/author is anxious to combat what she sees as a tendency for commercial values to invade areas of human life where they do not belong...A useful contribution to debate about the proper scope of the market. "Not everything is a commodity, insists Anderson, and her brief should shake up social science technocrats." DD--Philadelphia Inquirer "The book is rich in both argument and application." DD--Alan Hamlin, Times Higher Education Supplement "In this rich and insightful book Elizabeth Anderson develops an original account of value and rational action and then employs this account to address the pragmatic political question of what the proper range of the market should be. Anderson's principal targets are consequentialism, monism and the crude 'economistic' reasoning which underpins much contemporary social policy...This is an important book...For anyone interested in political philosophy this is essential reading." DD--A. J. Walsh,

Dietary Fiber in Health and Disease Oct 11 2019 Dietary fiber is a topic that has burgeoned from an esoteric interest of a few research laboratories to a subject of international interest. This growth has been helped by the intense public interest in the potential benefits of adding fiber to the diet. The general popularity of fiber may have been helped by the perception that, for once, medicine was saying "do" instead of "don't." There has been a proliferation of excellent scientific books on dietary fiber. Why another? The Spring Symposium on Dietary Fiber in Health and Disease was an outgrowth of our belief that informal discussion among peers—a discussion in which fact is freely interlaced with speculation—was the most effective way to organize our knowledge and direct our thinking. The normal growth progression of a discipline includes its branching into many areas. Soon the expertise, which was once general, is broken into many specialties. Intercommunication becomes increasingly difficult. It was our intent to provide a forum that would expose its participants to developments in areas related to their research interest. Free exchange under these conditions could not help but broaden everyone's knowledge and expand his horizons. We feel that this symposium was singularly successful in achieving its goals. It resulted in a free and friendly exchange of knowledge and ideas. It helped to establish seeds for future collaborations based on mutual interest and friendship. The proceedings of this conference will serve as yet another basic resource in the fiber field.

The Architecture of Stanley D. Anderson, with James Ticknor and William Bergmann Feb 07 2022 The Architecture of Stanley D. Anderson, with James Ticknor and William Bergmann By: Paul Bergmann Stanley D. Anderson's standard of architecture has sustained the test of time. His designs for residences, commercial buildings, schools, and Gentlemen's Farms are still praised today for his attention to detail, solid design work, and high-quality standards. This picture book illustrates through historic photos and drawings from the firm's archive the classical styles that the firm members drew upon over many decades of work. Through his signature Country Georgian style, Anderson and his associates transformed Lake Forest. Designed for local history buffs, amateur and professional architects, and the simply curious, this book provides biographies and interior perspectives on the production of Anderson and his associates, William Bergmann and James Ticknor, and their distinctive interpretation of a transformative architectural style.

Reading Ray S. Anderson Apr 28 2021 Why is theology often divorced from ministry? Why is ministry left bereft of a robust theology? Ray S. Anderson, a professor at Fuller Theological Seminary for over thirty years, has left a legacy of provocative reflections on these questions. In this book Christian Kettler provides a sure guide to major themes in the work of one of the most creative theological minds to have sought to integrate theology and ministry. Early experience on a South Dakota farm and in a California parish helped form the theologian whose radical incarnational theology of the "kenotic community" provided a new basis for a broader, risk-taking ecclesiology. Anderson also brought theological anthropology to the front of the agenda, and therefore into ministry to actual hurting human persons. His challenging theological reflections can provoke the mind, stir the heart, and guide compassionate and wise incarnational ministry. Each chapter ends with a case study from an actual life situation, to "test out" and work through the implications of Anderson's theology.

The Name and Family of Anderson Feb 19 2023

A-Z Guide to Boilerplate and Commercial Clauses Oct 15 2022 Need help with contract clauses, but only got a few minutes? An alphabetical, quick-access guide to all you need to know: The purpose and effect of common clauses, explaining the relevance of each, with illustrative examples. Now covers: The meaning of: 'Breach' 'Substantial' and 'material' in clauses for termination 'Beyond reasonable control' in force majeure cases When a priority of terms clause will operate Whether rules applying to penalties also apply to deposits The legal effectiveness of 'no amendment' or 'no variation' clauses Legal frameworks and how the courts will view such clauses during a dispute New legislation such as the Consumer Rights Act 2015, the General Data Protection Regulations 2016 and the Trade Secrets Directive Also includes: A step-by-step commentary Examples of best practice in different situations Detailed notes on each type of boilerplate clause A summary of relevant law, including statutory definitions and case law Precedents available as electronic downloads

Anderson's Travel Companion Mar 16 2020 A selection of the best in travel writing, with both fiction and non-fiction presented together, this companion is for all those who like travelling, like to think about travelling, and who take an interest in their destination. It covers guidebooks as well as books about food, history, art and architecture, religion, outdoor activities, illustrated books, autobiographies, biographies and fiction and lists books both in and out of print. Anderson's Travel Companion is arranged first by continent, then alphabetically by country and then by subject, cross-referenced where necessary. There is a separate section for guidebooks and comprehensive indexes. Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects. She is known by well-known travel writers such as Michael Palin and Colin Thubron. Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse, among others, made suggestions for titles to include in the Travel Companion.

Property Rights Jan 14 2020 Drawing on the thoughts of various philosophers, political thinkers, economists, and lawyers, Terry

Anderson and Laura Huggins present a blueprint for the nonexpert-expert on how societies can encourage or discourage freedom and prosperity through their property rights institutions. This Hoover Classic edition of *Property Rights* details step-by-step what property rights are, what they do, how they evolve, how they can be protected, and how they promote freedom and prosperity.

Never Apologise Jul 12 2022 "These pieces, collected in book form for the first time, represent some of the most honest and outspoken criticism on the arts of stage and screen, and their relevance to modern life. Anderson on England (he was a Scot), Anderson on Ford, Chaplin and Welles, on Jennings and Carol Reed, Anderson on working with Storey, Gielgud and Richardson, Rachel Roberts, Bette Davis and Lillian Gish and, most illuminatingly of all, Anderson on Anderson."--BOOK JACKET.

Ancient Rhetorical Theory and Paul Dec 13 2019 This new edition of Anderson's *Ancient Rhetorical Theory and Paul* is the result of a considerable reworking and bringing up-to-date of many aspects of the original book. Anderson, after giving a brief critical introduction to the rhetorical approach generally, focuses upon the application of ancient rhetorical theory to the letters of the apostle Paul, paying particular attention to questions of methodology. He provides an extensive review of the sources of ancient rhetorical theory which may be considered most relevant to a Greek speaker of the first century AD such as Paul, carefully distinguishing between philosophical and school rhetorical theory. Having determined which aspects of ancient rhetorical theory may be most suitable in respect of Paul's letters, Anderson goes to examine the letters to the Galatians, the Romans, and the first letter to the Corinthians. In each case a critical assessment of recent literature concerning the application of ancient rhetorical theory to these letters is given. In addition, an enlightening rhetorical analysis of the doctrinal portions of the letters to the Galatians and Romans is provided from the perspective of contemporary rhetorical theory. Anderson approaches his analysis in terms of how a contemporary professor of rhetoric may have looked at Paul's letters. The study concludes by addressing difficult questions concerning the relationship of Paul's style and argumentation to rhetorical theory and the likelihood of his conscious use of such theory, as well as the overall value of an ancient rhetorical approach to Paul's letters.

Moody's Manual of Railroads and Corporation Securities Sep 21 2020

The Parabolic Anderson Model Nov 11 2019 This is a comprehensive survey on the research on the parabolic Anderson model – the heat equation with random potential or the random walk in random potential – of the years 1990 – 2015. The investigation of this model requires a combination of tools from probability (large deviations, extreme-value theory, e.g.) and analysis (spectral theory for the Laplace operator with potential, variational analysis, e.g.). We explain the background, the applications, the questions and the connections with other models and formulate the most relevant results on the long-time behavior of the solution, like quenched and annealed asymptotics for the total mass, intermittency, confinement and concentration properties and mass flow. Furthermore, we explain the most successful proof methods and give a list of open research problems. Proofs are not detailed, but concisely outlined and commented; the formulations of some theorems are slightly simplified for better comprehension.

Traditions and History of Anderson County Apr 16 2020

John Gary Anderson and his Maverick Motor Company Jun 11 2022 To John Gary Anderson, a well-designed, well-made, well-marketed car would speed to the head of the pack, leaving the bewildered competition in its dust. John Gary Anderson?the hungry visionary who founded the Anderson Car Company and attempted to revitalize Rock Hill, South Carolina, as the automobile capital of the country - never forgot where he came from and never lost sight of where he wanted to go. Born into poverty during the Civil War, Anderson's industrial ingenuity and drive would come to symbolize the New South, and his devotion to the economic livelihood of his home would not be forgotten. At the beginning of the twentieth century, Anderson was poised for unstoppable success in the new automobile industry - until it all came crashing down.

Poisoning the Press May 30 2021 It is March 1972, and the Nixon White House wants Jack Anderson dead. The syndicated columnist Jack Anderson, the most famous and feared investigative reporter in the nation, has exposed yet another of the President's dirty secrets. Nixon's operatives are ordered to "stop Anderson at all costs"—permanently. Across the street from the White House, they huddle in a hotel basement to conspire. Should they try "Aspirin Roulette" and break into Anderson's home to plant a poisoned pill in one of his medicine bottles? Could they smear LSD on the journalist's steering wheel, so that he would absorb it through his skin, lose control of his car, and crash? Or stage a routine-looking mugging, making Anderson appear to be one more fatal victim of Washington's notorious street crime? *Poisoning the Press: Richard Nixon, Jack Anderson, and the Rise of Washington's Scandal Culture* recounts not only the disturbing story of an unprecedented White House conspiracy to assassinate a journalist, but also the larger tale of the bitter quarter-century battle between the postwar era's most embattled politician and its most reviled newsman. The struggle between Nixon and Anderson included bribery, blackmail, forgery, spying, and burglary as well as the White House murder plot. Their vendetta symbolized and accelerated the growing conflict between the government and the press, a clash that would long outlive both men. Mark Feldstein traces the arc of this confrontation between a vindictive president and a flamboyant, crusading muckraker who rifled through garbage and swiped classified papers in pursuit of his prey—stoking the paranoia in Nixon that would ultimately lead to his ruin. The White House plot to poison Anderson, Feldstein argues, is a metaphor for the poisoned political atmosphere that would follow, and the toxic sensationalism that contaminates contemporary media discourse. Melding history and biography, *Poisoning the Press* unearths significant new information from more than two hundred interviews and thousands of declassified documents and tapes. This is a chronicle of political intrigue and the true price of power for politicians and journalists alike. The result—Washington's modern scandal culture—was Richard Nixon's ultimate revenge.
