What if you took the next 40 days spending time with your Father seeking His wisdom concerning certain aspects of your business and personal life? I dare you to take the 40-day challenge! Special Strength for Special Parents is an injection of 31 doses of spiritual therapy for parents who live in two

worlds: the one with the rest of the world that doesn't understand. The second world is their universe. It is an all-consuming world of caring for a child who has needs unique to the majority of families in all the world. These parents often feel isolated and depleted, fatigued by the constant demand of having to be strong for others. The physical, emotional, social and spiritual needs of these parents are extremely complicated. Special Strength for Special Parents provides spiritual therapy to those who need special care and healing of their own. Dr. H. Norman Wright, licensed Marriage, Family & Child Therapist, Professor and Author, says: "I will personally be using Nina Fuller's Special Strength for Special Parents in my own practice. This timely book addresses spiritual and emotional needs of families like no other. It will bring hope for the hurting and strength to families with unique challenges". Wes Yoder, President, Ambassador Speakers Bureau and Literary

Agency states: "Nina Fuller has created a book for parents that is encouraging and life giving. Even though Special Strength for Special Parents is written especially for parents of children with special needs, any parent would be blessed to read the daily doses and reflect on the faithfulness of God." After the Sixth Day tells the story of one spirit living in a world that it's trying to understand. At some point on the journey, a longing is awakened for another world that feels both familiar and unknown. This story is uniquely told through poetry and prose with sincere and powerful emotion. Trink's "notes" reveal what we all soon realize; through interaction with the world, the spirit is tested, awakened and strengthened. So God created man in His own image; in the image of God He created him; male and female He created them. Then God saw everything that He had made, and indeed it was very good. So the evening and the morning were the sixth day. {Genesis 1:27,31 NKJV} In the

It is based on a prayer life that is tied to the Scriptures, especially that of the Psalms. It envisions a balanced life of prayer, worship, study, and work. In the context of an anxious and uncertain world. Benedictine spirituality encourages stability, practices radical hospitality, is concerned with justice and peace, and it strives to find the sacred in the ordinary. This book presents 365 daily spiritual principles derived from Benedictine spirituality. These short spiritual principles can be used

each day for meditation, or for reflection throughout the day as you go about attending to the business of life. You do not have to be a monk to embark on a daily adventure that leads to finding God in the ordinary, and finding your true self in the process. The ancient Essene lifestyle is one that may be incorporated into our modern world. This living path bestows many daily gifts of light and love, which lead to a reunion with God and a link to peace and harmony in our times. By reading and internalizing these principles it may be possible to entwine the sacred with the secular. Saturday: Sabbath. Fasting and food consciousness. Sunday: Honor and tend the earth. Monday: Day of silence. Decrease speech. Tuesday: Contemplation of the beauty and joy of life. Wednesday: Focus on and honor the sun. Thursday: Be thankful for rain and the water in our life. Friday: Honor and become more aware of the breath. The love and light flows from the first words in the dedication. A

peaceful feeling as the sentences flow together. The quotes from a variety of religious sources give credibility to the words. I was breathing deeper and more slowly as I edited it! - Vern Westgate, SBG Editor
